	devices within bicycle lanes located in the Waikiki Special District. Repeals ROH § 15-3.3, which authorizes the BFS Director to designate authorized tow vehicles. Changes the minimum property damage threshold for filing a subsequent report of a motor vehicle accident from $300 to $_. Updates the type of warning lights used at mid-block crosswalks from “amber colored lamps” to “flashing pedestrian beacons.” Authorizes vehicles to traverse, encroach, or stand in a City transit bus lane when making a right-hand turn. Requires pavement markings and signage for bicycle lanes delineated on City highways to conform to the				and postponed to a date and time to be determined by the Committee Chair.	
BILL071(25)	RELATING TO SHARED STREETS. Summary: Establishes a Shared Streets Program to provide a safe, accessible, and efficient space for all users of designated shared street areas, with priority given to pedestrians and other non-motorized users. To establish a designated shared street area, requires the affirmative recommendation from the DTS Director, the opportunity for public participation, and Council approval by resolution.
