FROM: Radiant Cordero RC
Chair, Committee on Planning, Infrastructure & Transportation

SUBJECT: **Resolution 25-128, Authorizing the Use of Overt Video Monitoring in the City and County of Honolulu in City Parks**

Aloha Councilmembers,

As you are aware, I have introduced **Resolution 25-128** to establish a pilot program for overt video monitoring at City parks. This initiative is aimed at exploring public safety enhancements in our shared public spaces.

In preparation of this measure potentially being scheduled for action at a future meeting of the Committee on Public Safety and Customer Services (PS), I kindly request that you identify at least one (1) park within your council district that you would like to recommend for inclusion in the pilot program.

In order to assist the PS Committee with this process, I respectfully request that you submit the name(s) of the park(s) you wish to be included in the pilot program to be considered as a proposed CD1 amendment. For your convenience, I have attached a sample transmittal memo for your use.

Please submit your memo to Pearlene Sotello, PS Committee Clerk, by 4:30 p.m. on Wednesday, May 21, 2025.

Thank you for your attention to this matter.
