OFFICE OF THE CITY CLERK

FROM: COUNCILMEMBER MATT WEYER MW

SUBJECT: Proposed Amendment to Resolution 25-128

In response to Councilmember Radiant Cordero's memo, dated May 16, 2025, (CC-151), I respectfully defer to the Department of Parks and Recreation, Honolulu Police Department, and Department of Information Technology to determine the parks in Council District 2 that would require, or benefit from overt video monitoring for inclusion in the parks overt video monitoring pilot program as proposed in Resolution 25-128.

We are grateful for the current video monitoring at certain locations that has provided useful information in responding to illegal activities in our community.
