MEMORANDUM

TO: Pearlene Sotelo
Office of the City Clerk

FROM: Councilmember Esther Kia‘āina
City Council, District 3

SUBJECT: **Proposed Amendment to Resolution 25-128**

In response to Councilmember Radiant Cordero's memo, dated May 16, 2025, (CC-151), I respectfully submit the names of the following City parks in my council district to be considered for inclusion in the parks overt video monitoring pilot program as proposed in Resolution 25-128:

1. **Hūnānāniho Beach Park –** Hūnānāniho Beach Park consists of 75 acres, with three comfort stations, and a campsite. Recent concerns of violence, as well as consistent vandalism, fires, and break-ins at the beach park impact park users.

2. **Kāne‘ohe Community Park –** Kāne‘ohe Community Park faces ongoing issues with vandalism, vagrants, safety concerns, and poor lighting. These challenges have made many park users hesitant to use the park’s facilities.
