Testimony:

We are writing to express our strong support for the reappointment of Ryan Kamo to the City and County of Honolulu Planning Commission. Having served as a commissioner since December 2020, Mr. Kamo has proven himself to be a dedicated public servant with the technical expertise and integrity necessary to guide O‘ahu’s future development.

Mr. Kamo is a Principal at Design Partners Incorporated and a highly respected architect with a deep understanding of land use planning, policies, and principles. His professional background—including an MBA from the University of Hawai‘i at Mānoa and architectural training from the University of Southern California—allows him to evaluate complex development applications with both a designer’s eye and a practical understanding of project feasibility.

O‘ahu faces significant challenges in housing, transit-oriented development, and climate resilience. We need experienced, balanced voices like Mr. Kamo's to ensure our General Plan and zoning ordinances serve the long-term public interest.

Thank you for your consideration.
