Subject: Bill 53 testimony

Aloha:

I think something might be wrong with your online form for submitting testimony. The drop down for selecting a meeting wasn't working a few minutes ago. (I am typing on a smartphone.)

Re: Bill 53, there is a win-win solution: have the city purchase a LIMITED number of shopping carts for the homeless communities across the island. Clearly, these carts are very useful to the homeless. Let's not criminalize their use. Let's also not over burden the grocery retailers.

Thank you,

Tracy Murakami
