Dear Chair Waters and Councilmembers:

SUBJECT: Bill 18 (2021) – Relating to Parking

The Department of Transportation Services (DTS) provides the following comments on Bill 18 (2021).

A parking prohibition for the areas mentioned in the bill is currently addressed by ROH Sec. 15-14.1.

Curb painting with the lettering of No Parking as required in this bill will require continuous upkeep and will strain City resources. Additionally, DTS believes that it is problematic to have No Parking indicated by curb painting with no associated signage. Residents may illegally paint their own curbs, and could easily extend the painted area longer than the 4' from the driveway as this bill intends.

DTS is willing to work with impacted communities on a case by case basis to implement other remedies to address parking issues.

Thank you for the opportunity to submit comments on this measure. Should you have any questions, please call me at 768-8303.

Very truly yours,

J. Roger Morton
Director
