SUBJECT: Executive Session items 12 and 13, Request to settle claim made by Daniel Grabauskas and Resolution to Retain Legal Services of Goodwin Procter LLP related to federal investigation of Rail - **OPPOSED**

Aloha Chair Tupola and Councilmembers,

Thank you for allowing testimony on Executive Session items 12 and 13 both of which deal with Dan Grabauskas and legal fees related to the federal investigation of the Honolulu Rail Transit Project. *I am testifying in my individual capacity.*

It appears taxpayers are being asked to fund Dan Grabauskas' prior legal fees and also retain legal counsel for him related to the federal investigation of rail. **He should not receive any assistance from taxpayers.**
