Written Testimony I've known Mr. Tokita for many years. His experience and leadership qualities will enable him to be a contributing member of the Building Board of Appeals. I believe Mr. Tokita can listen to the testimonies presented and help the board render a decision that is just and fair.

Written Testimony Brent Tokita is an active member in the Architectural community. He has been an advocate for the American Institute of Architects and has been a member of the Hawaii Code Council. He continues to read up on the latest changes to the code as is a person I turn to for help on code changes and interpretations. He will make an excellent addition to the Department of Planning and Permitting Board of Appeals and will be an asset to the community.
