Aloha,

I FULLY SUPPORT Bill 50 and think it is an excellent and much-needed improvement over the current ordinance.

Written Testimony It is bad enough as a resident to see such poorly maintained properties filled with overgrown weeds and garbage, but one can only wonder what tourists think when they see it all!

Please pass Bill 50. If property owners do not have innate standards of their own, I am glad Councilmember Say has thought to give them guidance with this improved ordinance.
