COMMITTEE REPORT NO. **76**

A BILL FOR AN ORDINANCE

RELATING TO TRANSIENT ACCOMMODATIONS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Findings and Purpose. Short-term rentals are disruptive to the character and fabric of our residential neighborhoods; they are inconsistent with the land uses that are intended for our residential zoned areas and increase the price of housing for Oahu's resident population by removing housing stock from the for-sale and long-term rental markets. The City Council finds that any economic benefits of opening-up our residential areas to tourism are far outweighed by the negative impacts to our neighborhoods and local residents.

In 2019, the City passed Ordinance 19-18, allowing a limited number of new bed and breakfast homes and requiring certain short-term rentals to comply with registration requirements, development standards, and other regulations.

The purpose of this ordinance is to better protect the City's residential neighborhoods and housing stock from the negative impacts of short-term rentals by providing a more comprehensive approach to the regulation of transient accommodations within the City.

SECTION 2. Section 6-41.1, Revised Ordinances of Honolulu 1990 ("Fee schedule"), as amended by Ordinance 20-18, is amended by amending subsection (a) to read as follows:

"(a) The fees set forth in the following schedule for applications under Chapter 21 and for variances therefrom must be paid upon application:
