Aloha Committee Chair Elefante and Committee Members:

i strongly support Bill 8 to ensure that violators of our zoning and land use ordinances do not benefit from their bad actions by continually getting permits while having outstanding violations.

Written Testimony This bill will also give DPP the additional enforcement authority they need to ensure violators fix violations and do not continue.

Please support this very needed bill.

Your position on the matter	Oppose
Representing Organization	Self
Written Testimony	Oppose additional requirement of notarizing information as part of the building permit process in general, and in particular relating the the City collecting fines. This requirement is unnecessarily burdensome upon all permit applicants in pursuit of a few bad actors. The City can seek other means of redress for outstanding fines.
