

A BILL FOR AN ORDINANCE

RELATING TO PRIVATE REFUSE COLLECTION VEHICLES.

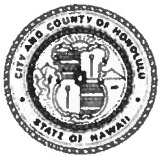

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to preserve the tranquility of residential, apartment, and apartment mixed use neighborhoods against noise disturbances from the collection of refuse by private refuse collection vehicles by regulating the hours of collection.

SECTION 2. Section 9-2.3, Revised Ordinances of Honolulu 1990 ("Conditions of licenses"), is amended by amending subsection (a) to read as follows:

"(a) Every license issued under this article shall be subject to the following conditions:

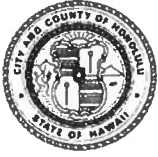

- (1) All vehicles used by the licensee for the collection of refuse ~~[shall]~~ must be so designed and constructed as to prevent the spilling or scattering of its contents upon the public streets. All such vehicles and equipment shall be kept in a clean, inoffensive, and sanitary condition. Such vehicles ~~[shall]~~ must carry at all times: a shovel, broom, and fire extinguisher. The name and phone number of the licensee ~~[shall]~~ must be marked on each side and across the back of all such vehicles and containers in letters not less than two inches in height. Trucks with a rated capacity of more than one and one-half tons used in the transportation or collection of refuse which contains garbage ~~[shall]~~ must be closed, leakproof, and constructed for the purpose of refuse collection. Vehicles shall not be loaded in excess of the gross vehicle weight[-];
- (2) All refuse shall be handled and transported by the licensee in such a manner as to prevent scattering, spilling, or leaking of the same or to otherwise create a nuisance thereby or to violate any rule or regulation of the state department of health[-];
- (3) All refuse collected by the licensee shall be disposed of at such disposal facilities or private disposal facilities within the disposal system designated by the director, or as otherwise directed by the director or the director's authorized representative[-];
- (4) Disposal charges incurred by the licensee for disposing of refuse at disposal facilities or private disposal facilities within the disposal system designated by the director shall be paid when due[-];

A BILL FOR AN ORDINANCE

- (5) The licensee shall not violate any provisions contained herein or in any other ordinance relating to the collection and disposal of refuse within the city[-];
- (6) All vehicles and other equipment used by a licensee in the collection and transportation of refuse shall be inspected at least once per year by the director of the department of environmental services to determine use in conformance with this article and such rules and regulations as said director may duly promulgate pursuant hereto[-]; and
- (7) No vehicle used by the licensee for the collection of refuse may be operated to collect refuse between the hours of 9:00 p.m. of one day and 6:00 a.m. of the following day in an area zoned residential, apartment, or apartment mixed use pursuant to Chapter 21. A highway or street will be deemed to be in an area zoned residential, apartment, or apartment mixed use if the properties on either side of the highway or street are so zoned."

SECTION 3. Ordinance material to be repealed is bracketed and stricken. New ordinance material is underscored. When revising, compiling, or printing this ordinance for inclusion in the Revised Ordinances of Honolulu, the Revisor of Ordinances need not include the brackets, the material that has been bracketed and stricken, or the underscoring.
