MEMORANDUM

TO: THE HONORABLE CALVIN SAY
HONOLULU CITY COUNCIL

FROM: GAVIN KENNEDY, LEGISLATIVE ANALYST *GK*
OFFICE OF COUNCIL SERVICES

THROUGH: JAMES WILLISTON, DIRECTOR *Jaw*
OFFICE OF COUNCIL SERVICES

SUBJECT: REVIEW OF COUNCILMEMBERS' CD2 PROPOSED CAPITAL PROJECTS FOR BILL 15 (2022), CD1, FOR CONSISTENCY WITH CHAPTER 4, ARTICLE 8 (PUBLIC INFRASTRUCTURE MAPS), REVISED ORDINANCES OF HONOLULU

The projects in the Councilmembers' CD2 submitted proposals for the Executive Capital Budget for FY 2023 (as compiled in CC-157) for inclusion in Bill 15 (2022), CD1, have been reviewed for consistency with the City's public infrastructure maps ("PIMs"). Chapter 4, Article 8, Revised Ordinances of Honolulu 1990 ("ROH"), relates to the adoption of PIMs, and specifies which major public facilities must be shown on a PIM prior to the appropriation of land acquisition or construction funds. A project qualifies as major public infrastructure if it meets the following criteria:

1. It has a significant impact on surrounding land uses or the natural environment;
2. It establishes a new facility;
3. It substantially changes the function of an existing facility; or
4. It involves modification (replacement or renovation) of an existing facility which would permit significant new development or redevelopment.

COUNCIL COM. 159

BUD

The Honorable Calvin Say

April 27, 2022

Page 2 of 2

ROH Section 4-8.1(e) provides that the City Council ("Council") has the authority to resolve all questions of interpretation regarding whether a project requires placement of a symbol on the PIM.

Proposed CD2 Capital projects by Councilmembers

All of the projects reflected in the Councilmembers' proposed amendments to the Executive Capital Budget: 1) are properly designated on a PIM or are existing facilities; 2) are exempt or minor projects that do not need to be shown on PIMs; or 3) need not be placed on PIMs since they do not involve appropriations for land acquisition or construction.
