A BILL FOR AN ORDINANCE

SECTION 12. General Provisos.

(a) As used in this ordinance:

"Agency" includes any department, office, board, commission, or other government unit of the City and County of Honolulu, as the case may be.

"Charter" means the Revised Charter of the City and County of Honolulu 1973, (Amended 2017 Edition), as amended.

"City" means the City and County of Honolulu.

"Council" means the Council of the City and County of Honolulu.

"Government" means the federal government, the State government, the government of any other state, any political subdivision of any state, or any quasi-governmental entity.

"ROH" means the Revised Ordinances of Honolulu 1990 or any recodification of the Revised Ordinances of Honolulu.

(b) The City may receive monies whose use is specified or otherwise limited by the monies' source from: (1) any governmental or quasi-governmental agency; (2) any private source including monetary gifts whose use is specified by the donor; or (3) any combination thereof. These monies shall include funds from the federal government and State government to assist the City with Coronavirus related expenses except for monies received from the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. 116-136), even if such monies are deemed multi-purpose federal monies. When such monies are received, the Director of Budget and Fiscal Services shall maintain special funds or accounts showing the monies so received and specifying the purposes for which they have been received and held.

All such monies specified in Section 2 through 10 of this ordinance are appropriated in the amounts and for the purposes set forth, and all expenditures shall be made as provided by law. All other such monies not specified in Section 2 through 10 of this ordinance and which are monies as described in the preceding paragraph are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved as provided in subsection (d). Should revenues from this ordinance or from elsewhere exceed the amounts specified, the excess is hereby appropriated and may be expended in accordance with the provisions of the monies' source and of this section;

A BILL FOR AN ORDINANCE

provided that: (1) the scope of the funded activity or project shall not be increased unless approved in accordance with subsection (d); (2) the excess monies are reported to the Council; and (3) when the funded activity or project is financed by both City and non-City funds and the revenues from a non-City fund source exceed the amount approved in this ordinance, the City fund appropriation shall be decreased by the amount of the excess revenues unless such decrease would jeopardize the receipt of the increased amount from the non-City fund source or the award of the contract.

The Director of Budget and Fiscal Services shall report to the Council no later than 30 days after June 30, detailing for the fiscal year just ended, the amount of any excess monies received, and the function, program, and activity to which the monies have been allotted for expenditure.

- (c) Monetary gifts for unspecified purposes. The City may receive monetary gifts whose use is not specified or otherwise limited by the donor. All such monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved in accordance with the gift approval requirement as provided in subsection (d).
- Expenditure of all monies received pursuant to subsections (b) or (c), including (d) appropriations or grants by the federal or State government to the City and private grant agreements, shall be deemed approved, and the designated City official shall be deemed authorized to receive and expend the funds provided pursuant to the agreement, 15 days after notice of receipt of such monies is filed with the City Clerk and distributed to all members of the Council, unless a councilmember files a written objection with the City Clerk prior to the 15th day. Such monies that have been objected to shall be subject to Council approval by way of a formal resolution. Any such limited purpose monies that were previously approved or deemed approved, pursuant to Section 12(d) in the previous Executive Operating Budget ordinance, and the receipt and expenditure of which were authorized, in the prior fiscal year, but that were not received until the fiscal year covered by this Ordinance, shall be appropriated and may be expended in accordance with subsection (b) without further approval by the Council. Intergovernmental and private grant agreements must comply with ROH Chapter 1, Article 8, and may be executed by the director of the department incurring the obligation. Gifts shall be approved by the Council in accordance with Charter Section 13-113 and Council Resolution 05-349, CD1, FD1, or successor Council policy. The Council reserves the right to require any monies to be approved by an appropriate budget ordinance.

A BILL FOR AN ORDINANCE

(e) Multi-purpose federal monies. Multi-purpose federal monies are monies from the United States of America that are allocated by formula entitlements and may be expended for multiple purposes. Such monies include Community Development Block Grant monies, HOME Investment Partnerships Program monies, Federal Transit Administration operating assistance monies, and monies via similar federal and State assistance programs, which Congress or the Legislature may enact from time to time.

No expenditure of such monies shall be made unless the Council has authorized such expenditure by enactment of or an amendment to a budget ordinance appropriating such monies in accordance with applicable Charter provisions, ordinances, and other legal requirements. If such monies are received prior to an enactment of or amendment to a budget ordinance, the Director of Budget and Fiscal Services shall maintain such monies in special accounts showing the monies so received and specifying the purposes for which they have been received and temporarily held. The Director of Budget and Fiscal Services shall submit to the Council, a bill for an ordinance appropriating such monies as soon as possible following the receipt of such monies.

(f) The Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds or incident to any receipt of funds for these and via similar federal and State assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds. Accordingly, notwithstanding subsection (e) and pursuant to Charter Section 13-122, the Council hereby waives Charter Sections 3-204, 9-105, and 9-106, and authorizes all such reprogramming actions, including reprogramming or reinstating funds pursuant to this ordinance that have been appropriated in the current fiscal year executive capital budget ordinance, or in any previous capital or operating budget ordinance, and have not been expended or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance.

The Council must approve all reprogramming actions for such funds or the receipt and expenditure of such funds by resolution. Alternatively, such reprogramming actions or the receipt and expenditure of such funds may be deemed approved 15 days after notice thereof is filed with the City Clerk and distributed to all members of the Council, unless a Councilmember files a written objection with the City Clerk prior to the 15th day. Reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance that have been objected to shall be subject to Council approval by way of a resolution.

A BILL FOR AN ORDINANCE

Notwithstanding ROH Section 1-8.3, if said reprogramming actions or receipt and expenditure of such funds are deemed approved in accordance with a notice filed with the City Clerk as specified in this subsection, any corresponding amendments made to any Annual Action Plan, as that term is defined in ROH Section 1-8.1, that would reflect said reprogramming actions or receipt and expenditure of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) reprogram, receive, and/or expend said funds in accordance with the notice; (ii) execute and submit to the United States Department of Housing and Urban Development any corresponding amendments made to any Annual Action Plan that would reflect said reprogramming actions or receipt and expenditure of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients.

(g) For the purposes of this subsection, "City fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or private trust funds.

In the event there are monies in any City fund that, in the judgment of the Director of Budget and Fiscal Services, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where, in the judgment of the Director of Budget and Fiscal Services, such action will not impede the necessary or desirable financial operations of the City, the Director of Budget and Fiscal Services may make temporary transfers or loans therefrom to the other funds of the City.

Within 14 days of the transfer or loan, the Director of Budget and Fiscal Services shall report to the Council on: (1) the amount of transfer or loan required; (2) the reason or justification for the transfer or loan; (3) the total amount outstanding and unreimbursed in temporary transfers and loans after making the subject transfer or loan; and (4) the anticipated date of the reimbursement or repayment. The Director of Budget and Fiscal Services shall notify the Council of the reimbursement or repayment of the temporary transfer or loan as soon as such reimbursement or repayment is made. Such notification shall identify the source of funding of the reimbursement or repayment of the temporary transfer or loan.

All transfers or loans under this section shall be reimbursed or repaid no later than 12 months from the date on which the transfer or loan was made, unless a later date is approved by the Council by resolution adopted on one reading without publication. Interest may be charged if the monies originate from enterprise funds.

A BILL FOR AN ORDINANCE

- (h) At the close of each quarter, the Director of Budget and Fiscal Services shall submit to the Council a Statement of Cash Balances by Fund showing for each quarter for each individual fund the cash balance at the start of the accounting period and the cash balance at the end of the period.
- (i) No transfer of funds shall be made from any activity, including the Provision for Salary Adjustments and Accrued Vacation Pay activity, unless such transfer complies with the requirements set forth in ROH Section 2-17.2(c).
- (j) Notwithstanding the provisions of ROH Section 2-17.2(c), transfers of funds from the Provision for Vacant Positions activity to any department activity may be executed without Council approval if the funds are used for any of the following purposes: (1) the regular pay for any position; (2) increases in regular and premium pay; and (3) any fringe benefit costs associated with increases in regular or premium pay. Council approval by resolution is required prior to any other transfers of funds from the Provision for Vacant Positions activity.

In the event the transfer is for increases in regular or premium pay and/or any fringe benefit costs associated with the increases, for each transfer, the notification shall include the:

- (1) Department and Activity;
- (2) Specific use of the monies to be transferred; and
- (3) Transfer Amount.
- (k) Notwithstanding the provisions of ROH Section 2-17.2(c), transfers of funds from the Provision for Energy Costs activity to any department activity for electricity or fuel costs, may be executed without Council approval; provided that a quarterly report shall be submitted to the Council.

- (I) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible.
- (m) Should monies from the State of Hawaii for collection of the county surcharge on general excise and use tax exceed the amounts specified hereinbefore in Sections 1 and 10, the excess is hereby appropriated to the General Fund and shall be transferred from the General Fund to the Transit Fund. Within 14 days of the transfer, the Director of Budget and Fiscal Services shall report to the Council on the excess amount(s) appropriated and transferred to the Transit Fund.
- Notwithstanding any other section of this ordinance or ROH Section 1-8.3 and (n) pursuant to Charter Section 13-122, the Council hereby waives Charter Sections 3-204, 9-105, and 9-106, and authorizes and approves the receipt, expenditure, and reprogramming of funding from the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. 116-136). Additionally, any corresponding amendments made to any Consolidated Plan or Annual Action Plan as those terms are defined in ROH Section 1-8.1, that would authorize or reflect the receipt, expenditure, or reprogramming of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) receive, expend, or reprogram said funds; (ii) execute and submit to the United States Department of Housing and Urban Development any corresponding amendments made to any Consolidated Plan or Annual Action Plan that would authorize or reflect the receipt, expenditure, or reprogramming of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Consolidated Plan or Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients. The funds approved and appropriated pursuant to this subsection shall not lapse by operation of Charter Section 9-106 and may be received, expended, and reprogrammed for so long as the funds remain available from their source.
- (o) All light duty and commuter vehicles purchased under this ordinance shall be hybrid, electric, or run on renewable energy in accordance with Ordinance 20-47 to transition the City's fleet to 100 percent electric or renewable energy by 2035.

The Director of Budget and Fiscal Services shall maintain special accounts showing the monies advanced and reimbursed for the purposes authorized. General Fund monies in the Federal Grants Fund for grant advances shall be transferred back to the General Fund when the Director of Budget and Fiscal Services determines that such monies are no longer needed for this purpose.

SECTION 14. SECTION 16. In the event monies from the Reserve for Fiscal Stability Fund need to be expended pursuant to an emergency as described in ROH Section 6-56.2(3)(A), such monies are deemed appropriated and may be expended without Council approval. Monies may also be expended without Council approval from the Reserve for Fiscal Stability Fund to reimburse another fund if such expenditures from the other fund were expended pursuant to an emergency as described in ROH Section 6-56.2(3)(A).

SECTION 12.

Amend subsection (b) to read as follows:

"(b) [Limited purpose monies.] The City may receive monies whose use is specified or otherwise limited by the monies' source from: (1) any governmental or quasi-governmental agency; (2) any private source including monetary gifts whose use is specified by the donor; or (3) any combination thereof. These monies shall include funds from the federal government and State government to assist the City with Coronavirus related expenses except for monies received from the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. 116-136), even if such monies are deemed multi-purpose federal monies. When such monies are received, the Director of Budget and Fiscal Services shall maintain special funds or accounts showing the monies so received and specifying the purposes for which they have been received and held.

All such monies specified in Section 2 through 10 of this ordinance are appropriated in the amounts and for the purposes set forth, and all expenditures shall be made as provided by law. All other such monies not specified in Section 2 through 10 of this ordinance and which are [limited purpose] monies as described in the preceding paragraph are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved as provided in subsection (d). Should revenues from this ordinance or from elsewhere exceed the amounts specified, the excess is hereby appropriated and may be expended in accordance with the provisions of the monies' source and of this section; provided that: (1) the scope of the funded activity or project shall not be increased unless approved in accordance with subsection (d); (2) the excess monies are reported to the Council; and (3) when the funded activity or project is financed by both City and non-City funds and the revenues from a non-City fund source exceed the amount approved in this ordinance, the City fund appropriation shall be decreased by the amount of the excess revenues unless such decrease would jeopardize the receipt of the increased amount from the non-City fund source or the award of the contract.

The Director of Budget and Fiscal Services shall report to the Council no later than 30 days after June 30, detailing for the fiscal year just ended, the amount of any excess monies received, and the function, program, and activity to which the monies have been allotted for expenditure."
