<p>Testimony:</p> <p>I support Bill 41 thus far However would like to ensure that this does not adversely impact or replace efforts made by CM Tsuneyoshi's BILL 27-21 (Ordinance 21-27) "requiring an applicant for an SMA permit to present the proposed project to the applicable neighborhood board or appropriate community association PRIOR to submitting an application to DPP"</p> <p>Further, with regard to page 3 and the "Valuation", I ask that these applicants be required to present to the appropriate neighborhood boards and community associations regardless of estimated value to permit/project.</p> <p>Mahalo,</p> <p>Racquel Achiu</p>
