DEPUTY DIRECTOR

July 21, 2022

The Honorable Brandon Elefante, Chair
and Members
Committee on Zoning and Planning
Honolulu City Council
530 South King Street, Room 202
Honolulu, Hawaii 96813

Dear Chair Elefante and Councilmembers:

SUBJECT: Bill 39 (2022) – State Plumbing Code

This is to inform you of a typographical error detected in the draft bill we submitted to Council. Although the edit may appear small, because it is a Standard prescribed by code, we request the bill be amended as a CD1 when the bill is discussed in the Zoning and Planning Committee. The change, located on page 14 of the bill, is shown below:

> **411.2 Water Consumption.** Water closets shall have a maximum consumption not to exceed 1.28 gallons (~~6.8~~ 4.8 liters/minute) of water per flush.

Thank you for your consideration of this amendment. Also, we would appreciate knowing when you anticipate hearing this bill in your Committee on Zoning and Planning.

Should you have any questions, please contact me at (808) 768-8000.

Very truly yours,

Dean Uchida
Director

APPROVED BY:

Michael D. Formby
