Testimony: This is a no brainer. The neighborhood shouldn't have to put up with people parking their cars to walk the trail. This is why Stairway to Heaven was closed. Let's keep our hikes open but MANAGE them properly!! We in Lanikai are disturbed and woken up consistently with people parking their cars to walk the pillbox hike, and I can tell you, it gets old real fast.

SUBJECT: Resolution 22-159, Vehicular Access to Koko Head District Park- **SUPPORT**
Request Correction to Committee Report

Aloha Chair Waters and Councilmembers,

Thank you for allowing testimony on Resolution 22-159, which would allow vehicular access to Koko Head District Park when the park opens. I support this resolution as long as the park continues to open at 4 a.m.

In addition, please correct the committee report, CR-232(22), prior to approval. The committee report states that there were three written testimonies in support of the resolution. According to M-0342(22), however, there were seven in support and one comment.
