Members, Zoning and Planning Committee
Honolulu City Council

Dear Chair Elefante, Vice Chair Kia'aina, Councilmembers Cordero and Say,

The Sunset Beach Community Association (SBCA) has reviewed the proposed development plans as described within the current SMA permit application for 58-1 Makaanale Street. After *Reso 22-175* presentations to the SBCA on November 17, 2021 and September 21, 2022, the majority feel that the applicant Mr. John Winebarger and his team have provided sufficient information and addressed our questions, and at this time we have no remaining concerns regarding the current SMA permit application.

Sincerely,

Dawn Bruns
Corresponding Secretary,
Sunset Beach Community Association
