MEMORANDUM

DATE: October 6, 2022
TO: All Councilmembers
FROM: Councilmember Brandon Elefante
Chair, Committee on Zoning & Planning
SUBJECT: Bill 10 CD2 (2022), Relating to Use Regulations

I respectfully request that you observe the following process when proposing amendments to Bill 10 CD2 (2022):

1. Please use as a starting point the CD2 version of the bill that was adopted at the September 26th Zoning and Planning Committee (OCS2022-0792/10/6/2022 1:36 PM). Proposed amendments should further amend the CD2, and references to specific sections of the Revised Ordinances of Honolulu 1990, should be based on the renumbering used in the CD2. Please note that all definitions have been moved to Article 10 from Article 5.
2. Amendments should be proposed using the attached matrix form, which is similar to the matrix used to propose amendments to the City's General Plan and development plans. For your use, a WORD file of the matrix may be downloaded from the M: Drive.
3. Submit your proposed amendments via memorandum directed to Gail Uehara, Zoning and Planning Committee Clerk. Submittals will be numbered as Council Communications and uploaded to the City's HNLDoc website.
5. Proposed amendments should be submitted no later than 4:30 p.m. on Thursday October 13, 2022.

Mahalo for your assistance.
