COMMITTEE REPORT NO. **50**

A BILL FOR AN ORDINANCE

RELATING TO THE PUBLIC CARRY OF FIREARMS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to define those sensitive locations within the City and County of Honolulu ("City") where the carrying of firearms is prohibited, consistent with an individual's Second Amendment right to bear arms and the United States Supreme Court's ruling in *New York State Rifle & Pistol Association, Inc. v. Bruen*, 142 S. Ct. 2111 (2022).

It is the further purpose of this ordinance to protect sensitive areas that have traditionally been subject to restrictions on carrying or possessing arms therein; to protect health, life, and property; and to preserve the order and security of the City, its inhabitants, and its visitors.

It is the further purpose of this ordinance to facilitate communication to the public of decisions by private businesses and charitable establishments in permitting or restricting firearms on their property. Inasmuch as the public's expectations have been shaped by legal restrictions on public carry that have been in place in Hawai'i for 170 years (see 1852 Haw. Sess. Laws Act of May 25, 1852, § 1 at 19), setting a default rule for businesses and charitable establishments that is consistent with these public expectations will ease public confusion and avoid individual confrontations, while facilitating private decision-making by businesses and charitable establishments.

SECTION 2. Chapter 41, Revised Ordinances of Honolulu 2021 ("Public Health and Safety"), is amended by adding a new article to be appropriately designated by the Revisor of Ordinances and to read as follows:

"ARTICLE __: PUBLIC CARRY OF FIREARMS
