SECTION 12. General Provisos.

(a) As used in this ordinance:

Agency. Any department, office, board, commission, or other governmental unit of the City and County of Honolulu, as the case may be.

Charter. The Revised Charter of the City and County of Honolulu 1973, (Amended 2017 Edition), as amended.

City. The City and County of Honolulu.

Council. The Council of the City and County of Honolulu.

Government. The federal government, the State government, the government of any other state, any political subdivision of any state, or any quasi-governmental entity.

ROH. The Revised Ordinances of Honolulu 2021, as amended.

(b) Limited purpose monies. The City may receive monies whose use is specified or otherwise limited by the monies' source from: (1) any governmental or quasi-governmental agency; (2) any private source including monetary gifts whose use is specified by the donor; or (3) any combination thereof. These monies shall include funds from the federal government and State government to assist the City with Coronavirus related expenses except for monies received from the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. 116-136), even if such monies are deemed multi-purpose federal monies. When such monies are received, the Director of Budget and Fiscal Services shall maintain special funds or accounts showing the monies so received and specifying the purposes for which they have been received and held.

All such monies specified in Sections 2 through 10 of this ordinance are appropriated in the amounts and for the purposes set forth, and all expenditures shall be made as provided by law. All other such monies not specified in Sections 2 through 10 of this ordinance and which are monies as described in the preceding paragraph are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved as provided in subsection (d). Should revenues from this ordinance or from elsewhere exceed the amounts specified, the excess is hereby appropriated and may be expended in accordance with the provisions of the monies' source and of this section;

ORDINA	ANCE _			_
				_
BILL	11 /2	0231	CD1	

provided that: (1) the scope of the funded activity or project shall not be increased unless approved in accordance with subsection (d); (2) the excess monies are reported to the Council; and (3) when the funded activity or project is financed by both City and non-City funds and the revenues from a non-City fund source exceed the amount approved in this ordinance, the City fund appropriation shall be decreased by the amount of the excess revenues unless such decrease would jeopardize the receipt of the increased amount from the non-City fund source or the award of the contract.

The Director of Budget and Fiscal Services shall report to the Council no later than 30 days after June 30, detailing for the fiscal year just ended, the amount of any excess monies received, and the function, program, and activity to which the monies have been allotted for expenditure.

- (c) Monetary gifts for unspecified purposes. The City may receive monetary gifts whose use is not specified or otherwise limited by the donor. All such monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved in accordance with the gift approval requirement as provided in subsection (d).
- (d) Expenditure of all monies received pursuant to subsections (b) or (c), including appropriations or grants by the federal or State government to the City and private grant agreements, shall be deemed approved, and the designated City official shall be deemed authorized to receive and expend the funds provided pursuant to the agreement, 15 days after notice of receipt of such monies is filed with the City Clerk and distributed to all members of the Council, unless a councilmember files a written objection with the City Clerk prior to the 15th day. Such monies that have been objected to shall be subject to Council approval by way of a formal resolution. Any such limited purpose monies that were previously approved or deemed approved, pursuant to Section 12(d) in the previous Executive Operating Budget ordinance, and the receipt and expenditure of which were authorized, in the prior fiscal year, but that were not received until the fiscal year covered by this Ordinance, shall be appropriated and may be expended in accordance with subsection (b) without further approval by the Council; provided that it is recommended that all members of the Council are notified of each expenditure when it is made. Intergovernmental and private grant agreements must comply with ROH Chapter 1, Article 8, and may be executed by the director of the department incurring the obligation. Gifts shall be approved by the Council in accordance with Charter § 13-113 and Council Resolution 05-349, CD1, FD1, or successor Council policy. The Council

ORDINA	NCE		
BILL	11	(2023).	CD1

reserves the right to require any monies to be approved by an appropriate budget ordinance.

(e) Multi-purpose federal monies. Multi-purpose federal monies are monies from the United States of America, which are allocated by formula entitlements and may be expended for multiple purposes. Such monies include Community Development Block Grant monies, HOME Investment Partnerships Program monies, Federal Transit Administration operating assistance monies, and monies via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time.

No expenditure of such monies shall be made unless the Council has authorized such expenditure by enactment of or an amendment to a budget ordinance appropriating such monies in accordance with applicable Charter provisions, ordinances, and other legal requirements. If such monies are received prior to an enactment of or amendment to a budget ordinance, the Director of Budget and Fiscal Services shall maintain such monies in special accounts showing the monies so received and specifying the purposes for which they have been received and temporarily held. The Director of Budget and Fiscal Services shall submit to the Council, a bill for an ordinance appropriating such monies as soon as possible following the receipt of such monies.

(f) The Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds or incident to any receipt of funds for these and via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds. Accordingly, notwithstanding subsection (e) and pursuant to Charter § 13-122, the Council hereby waives Charter §§ 3-204, 9-105, and 9-106, and authorizes all such reprogramming actions, including reprogramming or reinstating funds pursuant to this ordinance that have been appropriated in the current fiscal year executive capital budget ordinance, or in any previous capital or operating budget ordinance, and have not been expended or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance.

The Council must approve all reprogramming actions for such funds or the receipt and expenditure of such funds by resolution. Alternatively, such reprogramming actions or the receipt and expenditure of such funds may be deemed approved 15 days after notice thereof is filed with the City Clerk and

ORDINA	NCE		<u> </u>	_
BILL	11	(2023).	CD1	

distributed to all members of the Council, unless a Councilmember files a written objection with the City Clerk prior to the 15th day. Reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance that have been objected to shall be subject to Council approval by way of a resolution.

Notwithstanding ROH § 1-8.3, if said reprogramming actions or receipt and expenditure of such funds are deemed approved in accordance with a notice filed with the City Clerk as specified in this subsection, any corresponding amendments made to any Annual Action Plan, as that term is defined in ROH § 1-8.1, that would reflect said reprogramming actions or receipt and expenditure of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) reprogram, receive, and/or expend said funds in accordance with the notice; (ii) execute and submit to the United States Department of Housing and Urban Development any corresponding amendments made to any Annual Action Plan that would reflect said reprogramming actions or receipt and expenditure of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients.

(g) For the purposes of this subsection, "City fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or private trust funds.

In the event there are monies in any City fund that, in the judgment of the Director of Budget and Fiscal Services, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where, in the judgment of the Director of Budget and Fiscal Services, such action will not impede the necessary or desirable financial operations of the City, the Director of Budget and Fiscal Services may make temporary transfers or loans therefrom to the other funds of the City.

Within 14 days of the transfer or loan, the Director of Budget and Fiscal Services shall report to the Council on: (1) the amount of transfer or loan required; (2) the reason or justification for the transfer or loan; (3) the total amount outstanding and unreimbursed in temporary transfers and loans after making the subject transfer or loan; and (4) the anticipated date of the reimbursement or repayment. The Director of Budget and Fiscal Services shall notify the Council of the reimbursement or repayment of the temporary transfer or loan as soon as such

reimbursement or repayment is made. Such notification shall identify the source of funding of the reimbursement or repayment of the temporary transfer or loan.

All transfers or loans under this section shall be reimbursed or repaid no later than 12 months from the date on which the transfer or loan was made, unless a later date is approved by the Council by resolution adopted on one reading without publication. Interest may be charged if the monies originate from enterprise funds.

- (h) At the close of each quarter, the Director of Budget and Fiscal Services shall submit to the Council a Statement of Cash Balances by Fund showing for each quarter for each individual fund the cash balance at the start of the accounting period and the cash balance at the end of the period.
- (i) No transfer of funds shall be made from any activity, including the Provision for Salary Adjustments and Accrued Vacation Pay activity, unless such transfer complies with the requirements set forth in ROH § 2-17.2(c).
- (j) Notwithstanding the provisions of ROH § 2-17.2(c), transfers of funds from the Provision for Vacant Positions activity to any department activity may be executed without Council approval if the funds are used for any of the following purposes: (1) the regular pay for any position; (2) increases in regular and premium pay; and (3) any fringe benefits costs associated with increases in regular or premium pay. Council approval by resolution is required prior to any other transfers of funds from the Provision for Vacant Positions activity.

The Director of Budget and Fiscal Services shall submit quarterly reports concerning all transfers made from the Provision for Vacant Positions activity. In the event the transfer is to pay for vacant positions, for each vacant position, the notification shall include:

- (1) The Department and Activity;
- (2) The Job Title;
- (3) The Date of Vacancy;
- (4) The Projected Date of Hire;
- (5) The Salary; and
- (6) Identify if the position is to be filled via contract or through the civil service process.

- (1) Department and Activity;
- (2) Specific use of the monies to be transferred; and
- (3) Transfer Amount.
- (k) Notwithstanding the provisions of ROH § 2-17.2(c), transfers of funds from the Provision for Energy Costs activity to any department activity for electricity or fuel costs, may be executed without Council approval; provided that a quarterly report shall be submitted to the Council.
- (I) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible.
- (m) Should monies from the State of Hawaii for collection of the county surcharge on general excise and use tax exceed the amounts specified hereinbefore in Sections 1 and 10, the excess is hereby appropriated to the General Fund and shall be transferred from the General Fund to the Transit Fund. Within 14 days of the transfer, the Director of Budget and Fiscal Services shall report to the Council on the excess amount(s) appropriated and transferred to the Transit Fund.
- (n) Notwithstanding any other section of this ordinance or ROH § 1-8.3, and pursuant to Charter § 13-122, the Council hereby waives Charter §§ 3-204, 9-105, and 9-106, and authorizes and approves the receipt, expenditure, and reprogramming of funding from the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. 116-136). Additionally, any corresponding amendments made to any Consolidated Plan or Annual Action Plan, as those terms are defined in ROH § 1-8.1, that would authorize or reflect the receipt, expenditure, or reprogramming of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) receive, expend, or reprogram said funds; (ii) execute and submit to the United States Department of Housing and Urban Development any corresponding amendments made to any Consolidated Plan or Annual Action Plan that would authorize or reflect the receipt,

expenditure, or reprogramming of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Consolidated Plan or Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients. The funds approved and appropriated pursuant to this subsection shall not lapse by operation of Charter § 9-106 and may be received, expended, and reprogrammed for so long as the funds remain available from their source.

- (o) All light duty and commuter vehicles purchased under this ordinance shall be hybrid, electric, or run on renewable energy in accordance with Ordinance 20-47 to transition the City's fleet to 100 percent electric or renewable energy by 2035.
- (p) Should the Honolulu Authority for Rapid Transportation ("HART") share of County Transient Accommodations Tax revenues for FY 2024 exceed the amounts specified hereinbefore in Sections 1 and 10, the excess is hereby appropriated to the General Fund and shall be remitted to HART. Within 14 days of the transfer the Director of Budget and Fiscal Services shall report to the Council on the excess amount appropriated and remitted to HART.

- (2) "Special assessment revenues" means the revenues derived from any special assessment imposed on real property in a business improvement district.

All special assessment revenues from a business improvement district which become available during the fiscal year 2023-2024 are hereby appropriated to the district for that fiscal year, notwithstanding the absence of a specific appropriation in Sections 2 through 10 of this ordinance. The appropriated special assessment revenues shall be expended, without necessity of Council approval, in conformance with the ordinance establishing the district and the ROH.

ORDINA	NCE		
RII I	11	(2023)	CD1

Within 30 days of June 30, 2024, the Director of Budget and Fiscal Services shall report to the Council the special assessment revenue amount appropriated and General or Highway Fund amount transferred pursuant to this section. The report also shall identify the business improvement district which received the appropriated revenues or transferred funds.

(b) Transfer to Federal Grants Fund for grant advances.

General fund monies transferred to the Federal Grants Fund for grant advances may be appropriated and expended from the Federal Grants Fund by the Director of Budget and Fiscal Services should advance funding be required to expedite federal grant program expenditures. Reimbursements for General Fund advance funding expenditures will be deposited to the Federal Grants Fund to fund future advancements in the current and subsequent fiscal years. The Director of Budget and Fiscal Services shall maintain special accounts showing the monies advanced and reimbursed for the purposes authorized. General Fund monies in the Federal Grants Fund for grant advances shall be transferred back to the General Fund when the Director of Budget and Fiscal Services determines that such monies are no longer needed for this purpose.

SECTION 14. The Executive Operating Program for the Fiscal Year July 1, 2023 to June 30, 2024, as transmitted to the Council in the Executive Program and Budget for the Fiscal Year 2024, Volume 1 (Operating Program and Budget), and as amended in any Executive Operating Program amendments, attached hereto and made a part hereof, is hereby incorporated by reference and adopted as an integral part of this ordinance. The Detailed Statement of Revenues and Surplus contained therein may be further amended regarding any applicable fund by any amendment to the Executive Operating Budget ordinance, Executive Capital Budget ordinance, Legislative Budget ordinance, Honolulu Authority for Rapid Transportation Operating Budget ordinance, or Honolulu Authority for Rapid Transportation Capital Budget ordinance. transmitted and this ordinance or the above budget amendments, the provisions of this ordinance and any of the above budget amendments shall prevail, and the provisos contained therein shall have the same force and effect as the provisos contained in this ordinance.

SECTION 15. Monies in the Grants in Aid Fund shall be used first for those projects selected by the Grants in Aid Advisory Commission in Departmental Communication 164 (2023) ("D-164"), Exhibit A, Appendices 1 through 3, and for administrative expenses; and second, in the event the amount appropriated from the Grants in Aid Fund for projects exceeds the funding necessary for the projects listed in D-164, Exhibit A, Appendices 1 through 3, the excess amount shall be appropriated to fully fund the requested amounts of the Young Men's Christian Association and Family Hui Hawaii, pro rata, and then, for the highest scored projects not recommended for funding as ranked in D-164, Exhibit A, Appendix 5; and third, in the event the amount appropriated from the Grants in Aid Fund is less than the amount necessary for all the projects recommended for funding in D-164, Exhibit A, Appendices 1 through 3, the decreased amount shall be applied to the funding for the lowest scored projects recommended for funding by the Grants in Aid Commission, provided that such decreased amounts do not conflict with Resolution 17-201, as may be amended. The amount appropriated from the Grants in Aid Fund for each project shall be the amount recommended by the Grants in Aid Advisory Commission as set forth in the report attached to D-164. The Director of Community Services and the Director of Budget and Fiscal Services are hereby authorized to enter into grant agreements relating to appropriations from the Grants in Aid Fund and the use and administration of said appropriations as well as any other incidental agreements in connection therewith, or amendments thereto, as may be reasonably required and to expend such appropriations for the purpose described above.
