RE: Bill 37 (2022) — RELATING TO REAL PROPERTY TAXATION

Comments Only

Dear Chair and Committee Members:

The Grassroot Institute of Hawaii would like to offer its comments on [Bill 37 \(2022\)](#), which would increase the income eligibility for the real property tax credit from \$60,000 to \$70,000.

This bill would provide lower-income households additional relief, but would not automatically adjust this relief to account for inflation. As a result, it would give smaller amounts of assistance every year that Honolulu's cost of living rose.

For this reason, we believe Bill 38 would be a more useful vehicle to lower residents' property tax burden.

Thank you for the opportunity to testify.

Sincerely,

Ted Kefalas

Director of Strategic Campaigns
