Testimony

Aloha Council Chair Waters and Council Members - While we understand the intent of Bill 19, the North Shore Parks already have restrictions in place. We are concerned that the new rules will loosen these current restrictions. We will be following this bill closely and will weigh in at each stage. We do not wish to go backward in the progress we have made in our community in managing commercial activities at our parks. Mālama 'āina, Kathleen M. Pahinui Chair, North Shore NB #27
