<p>Testimony:</p> <p>Dear City Council,</p> <p>CARES testifies in strong support.</p> <p>The Golf Courses Division operates and maintains six City & County of Honolulu golf courses. Responsibilities include: establishing rules and regulations governing use, developing administrative policies and procedures for operations and management, improving golf services, formulating annual operating and capital improvement budgets, proposing user fees, planning new courses and facility improvements and facilities, and overseeing golf course food, pro shop and driving range concessions.</p> <p>The proposed amendments is for 3 fees:</p> <ol style="list-style-type: none">1. An additional charge to get a golf card.2. And upon losing it, another fee will be charged for a replacement card.3. There will be an increase for the surcharge from \$4 to \$8 for persons who present qualifying documents instead of an golf ID card. <p>CARES is in strong support of generating profit for city departments. To maintain the golf courses costs money. It is reasonable to charge a fee to help with subsidizing the costs.</p> <p>Blessings, CARES</p>
