<p>Testimony:</p> <p>Aloha Council Chair Waters & members of the City Council:</p> <p>This testimony stands in opposition to Council Resolution 23-053 retaining taxpayer-funded legal services for the stated former city officials. In light of the magnitude of city crises ranging from a lack of affordable housing, growing houselessness and the perceived notion of police corruption and lack of credibility, throwing taxpayer dollars at former city officials to mount a defense against alleged crimes, when said city officials are more than capable of retaining their own legal services is nothing short of dereliction and disregard of the people & taxpayers of the City and County of Honolulu.</p> <p>I urge members of the Council to vote NO to taxpayer-funded legal services for former police commissioner Max Sword, former city managing director Roy Amemiya, and former city corporation counsel Donna Leong.</p> <p>Mahalo nui, KEOLU PERALTO Kapaehulu</p>
