Honolulu City Council
530 South King Street, Room 202
Honolulu, Hawaii 96813

Dear Chair Waters and Councilmembers:

SUBJECT: Report of Gift and Requested Acceptance

We respectfully request the acceptance by the City Council on behalf of the City and County of Honolulu of a gift to the City valued at \$2,500.00 or more under the provisions of Resolution 05-349, CD1, FD1. A proposed resolution accepting the gift is attached for the City Council's favorable consideration. The Office of Climate Change, Sustainability and Resiliency (OCCSR) has taken custody of the gift. The recommendation of the Managing Director is evidenced by his signature below.

The gift, valued at \$3,823.05, from the Re-Earth Initiative, is for our Climate Adaptation Specialist's (Hailey Campbell) attendance at the United Nations Framework Convention on Climate Change, Subsidiary Body Meetings and Youth Forum, as a participant in the technical sessions of stakeholders and smaller networking sessions for intentional sharing of best practices and policy priorities. Her attendance will enable her to share significant adaptation priorities and experiences from an island community, highlight the City's climate action efforts and award-winning Climate Ready games, and learn more about how the world is thinking about climate action to inform the CAP update.

Should you have any questions, please feel free to contact me at 768-2277.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew J. Gonser".
