COMMENTS:

Bill 16

Relating to the Honolulu Authority for Rapid Transportation Operating Budget for the Fiscal Year July 1, 2023 to June 30, 2024.

Bill 17

Relating to the Honolulu Authority for Rapid Transportation Capital Budget for the Fiscal Year July 1, 2023 to June 30, 2024.

Aloha Chair Waters, Esther Kia'iana and City Council members:

I don't suppose that there are many who literally go through each line item with these HART budgets.

As a concerned citizen, we get constant news of this Rapid Transit System. Just recently is the news about the lack of parking at the Pearlridge Station. How are people going to use this forthcoming station if there is not parking spaces?

The fact that the section from Middle Street on is in the Honolulu Sea Level Rise inundation Zone continues to be ignored is a severe concern

.

Thus far, this project is

Competing for a lot of funds.

County TAT transfer to HART - \$39,809,000

Rail O&M – I think \$73.4 million (pg 14 of Bill 11)

City “skin” - \$12 million
