

Bill 11 Testimony

June 7, 2023

Honolulu City Council

RE: Bill 11- Kapa'a Quarry Transfer Station collection site

Aloha Chair Cordero and members of the committee,

Re-use Hawai'i is a non-profit organization working to create a long-term solution to Hawai'i's waste management challenges by diverting building materials from the landfill and (re)cultivating a circular economy in Hawai'i.

We strongly support the proposed funding related to a pilot program at the Kapa'a Quarry Transfer Station to collect and redistribute reusable construction materials and household items. Diverting material from transfer stations is a proven method of reducing waste and cultivating a circular economy for our community.

Forty-two percent of our waste stream is construction and demolition materials. Much of this material can be reused and recycled. Keeping material in use provides the following benefits:

- Reduces our reliance on landfills
- Generates a low-cost community resource
- Reduces carbon emissions by avoiding the extraction, manufacturing, and shipping associated with the creation of new products

Re-use Hawai'i is interested in providing a proposal to operate the collection site. We are prepared to collect data and provide a report on the tonnage diverted, donor engagement, and other metrics of success.

We strongly support Bill 11 and look forward to being a resource for this initiative.

Mahalo nui loa,

Quinn Vittum
Executive Director
Re-use Hawai'i

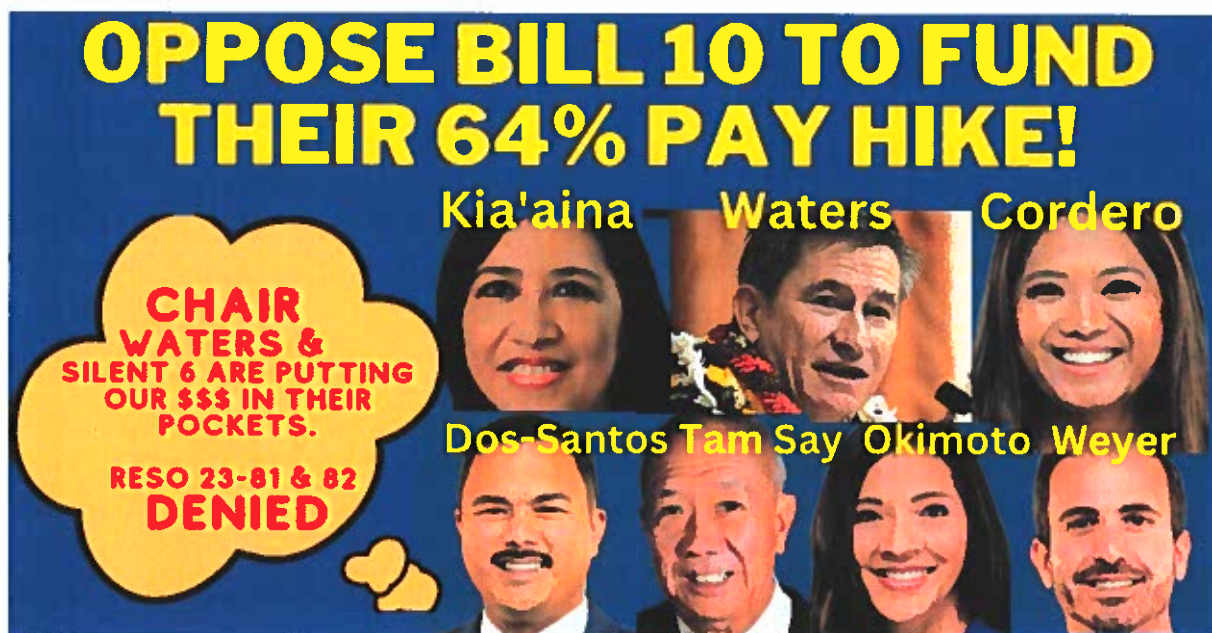

**OPPOSE 64% PAY RAISE and BILL 10 AND ANY OTHER METHODS
YOU MAY USE TO FUND YOUR OWN SALARY INCREASES!**

**TO TOMMY WATERS, ESTHER KIA'AINA, RADIANT CORDERO,
CALVIN SAY, TYLER DOS- SANTOS TAM, VAL OKIMOTO, MATT
WEYER**

This is PILAU. You are out of touch with the suffering of the people. 64%!!! Who gets that??? You always vote as a bloc so how hard is that work?????

It's a big fix with your appointed salary commission granting your wishes. You scratch my back and I scratch your back. When is this going to stop???

You're not working for the people because you only put things on the agenda that benefit your pocketbook or the people who donated to you. There are no excuses for you not to put Resolution 23-081 and Resolution 23-082 on this agenda for June 7 meeting.

BIG Q

Should Honolulu's mayor/leaders get a 12.5% raise, and the City Council, a 64% hike?

May 1, 2023

B. No; excessive, unjustifiable (775 Votes)

C. OK with some raise at lower rate (212 Votes)

A. Yes; reasonable for their duties (40 Votes)

This is not a scientific poll — results reflect only the opinions of those voting

'WE have lost faith in Hawaii's Government. WE no longer trust public servants who campaign then betray the people by your self serving greed to only care about funding your own wealth and welfare! How SHAMEFUL of you to even consider accepting SO MUCH TAX DOLLARS when you know that it's only serving yourselves and its not serving the PEOPLE or the CITY of HONOLULU! It's DEMORALIZING and so PILAU!!'

'The public should vote on raises. Not the politicians using a salary commission appointed by them to give themselves raises.'

'Because NO one deserves a 64% raise in government. Surely not an elected official who gets 350 car allowance, cell phone and is only required to show up at ONE meeting a month. Public service is serving others not yourself. This demonstrates a disconnect. Most have been there less than 4 years and they want to make 6 figures. This needs to be a charter amendment'

'The public deserves transparency in government. We deserve to know where our elected officials stand on issues of concern to the voters. Tommy Waters is denying the public the opportunity to hear where their council members stand on this exorbitant raise. Tommy Waters is deliberately ignoring public outrage and objections to this raise. The people deserve better!'

'I oppose a 64% pay raise for county council members. County council needs to "VOTE" to reject this! IF THEY DONT TAKE A VOTE IT WILL PASS AUTOMATICALLY!'

'This job is only a temp job and must be made into a full time job for full time pay'

'As a tax payers, I/we deserve the right to say how our government spends OUR money! There are more important things for us to direct our spending towards, and paying our politicians exhorborant increases is not one of them!'

'You are more so here to profit than to serve.Did you read the quote by Justice Thomas?

'(Just working for my salary) is not worth it"There is enough corruption in Hawaii. Serve, or go home."
'You are not serving those who elected you! You are serving yourself, and thus lied about caring about us!!!!
We will remember you come election time.'

'No pay raises now for city employees, council members, Mayor!'

'As a concerned citizen, I strongly believe that such a substantial increase in compensation is unwarranted and not in the best interest of our community.While I understand the importance of adequately compensating public officials for their service, it is crucial to ensure that any salary adjustments are fair, reasonable, and reflective of the economic realities faced by the residents of our county. A 64% pay raise appears disproportionate and out of touch with the financial struggles experienced by many citizens and local businesses.In a time when our community is grappling with various challenges, such as affordable housing, education funding, and infrastructure improvements, it is essential to prioritize the allocation of resources wisely. Redirecting a significant portion of the budget towards increasing council members' salaries could hinder our ability to address these pressing issues effectively.Moreover, public service should be motivated by a genuine desire to serve the community and make a positive'

'At present, no raises should be given to or taken by our council members. The county and state is in a recession and by given a raise will raise our taxes as well. STOP. Greed runs deep and everyone earns a decent salary at present. A raise should be given in the year 2030. Delayed gratification is the Truth and answer."

'Serving on the City Council is currently a part-time job. To claim it is full-time work to justify a pay increase of 64% is unconscionable. To suggest putting it on the ballot to see if people would agree it should be full-time, after this pay raise goes into effect, is putting the horse before the carriage. The increase, if any, should be a reasonable amount based on part-time employment. Constituents are speaking out, to ignore them is not pono and is self-serving."

', the City Council must put this 64% salary increase to a vote. They can't hide and let the time run out. Tommy Waters suggest putting it on the ballot to see if people would agree it should be full-time, after this pay raise goes into effect, is putting the horse before the carriage."
'Despicable - giving themselves a pay raise. Will be voting them out!"

'This is ridiculous...OMG"

'I oppose the 64% pay raises for city leaders."

'I approve of Reso 23-81 and 23-82. These raises are not in line with our reality."

'Wished we all could get a 64% raise. The only time we see City Council Members is during election time because they want our votes!! Otherwise, they are crickets. Not sure how its a full time job when they don't show face at meetings when they are supposed to be present!"

'This pay raise is absurd! How dare you put this burden on the tax payers now, ever. What justification is there for 64% raises when many have had no raise since 2019 (pandemic)? You serve the taxpayer, not the other way around."

'Perhaps the Council members deserve a (some) raise, but, not at 64% - even if they claim they 'serve' full time. I can't believe Chair won't call a hearing/vote on this matter. Attending a (district) Neighborhood Board should be mandatory! I wonder how the 'grunts' who work and support the Council members feel about this when they go home, if they're lucky to be a Union member, with a negotiated 4%; and, what about those who have to pay more in Real Property Tax. Auwē on you, City Council.
On another note: Mr Mayor, 'you done good' calling for the area Town Hall meetings with our department heads obliged to attend too!"

'OMG!!"

'the raise amount is outrageous and it should appear on the council agenda so we can see where each member stands on this.
,

'I oppose this increase without a prior vote to make City Council full time with no provision for outside work while in office."

'Paid enough!"

'I oppose the excessive raise of 64% for anyone."

'A 64% raise during an economic crisis is LUDACRIS! Our government is already Top Heavy with the Elite being fed the financial upper hand while majority of local and native residents continue to suffer, this would be yet another devastating blow to tax payers."

'The hewa needs to stop, focus on getting kānaka LAND BACK, BODIES BACK, CULTURE BACK"

'My property taxes have skyrocketed but my income hasn't. So why should their salaries skyrocket? can understand a 10-15% raise like many people.....but 64%???"

'Even that is too generous!! 4%"

'I would've said 4% but now I feel they don't deserve any raises for leading us to this outcry"

'64% raise! Pretty generous! Let the voters decide if the City Council members have earned such a CRAZY raise! Public servants--serve the public! Andrea T. & Augie T.--wish they were my City Council representatives."

'I don't think so ! Just say NO !Let the people decide !!!"

'Totally Ridiculous !!!! strongly oppose the 64% raise !!!"

'Hell No!!"

'It's INCREDIBLE to me that these politicians have such a HUGE disconnect from their constituents every day struggles. It's getting to where food, gas, everyday things are getting out of reach for us, and they want a 64% pay raise? They need a a swift NO PAY, YOU'RE FIRED!! Find others who'd gladly do this job for less....."

'I too would like a 64% raise. I'm on a fixed income with social security. Would that EVER happen in today's current financial crisis?If there's that kind of money sitting in the bank, how about reducing my property taxes that have been going up, up, up every year?"

'People are struggling to survive here. These government servants don't work for us full-time. How can they give themselves more taxpayer money? Hewa!"

'They dont deserve that raise"

'A 68% salary increase is unreasonable, and to be implemented without a Council hearing and opportunity for public comment is unconscionable. Interesting this is the first time we're seeing a politician really standing his ground and fighting for something he believes in— an exorbitant raise for himself and his colleagues who keep him in his chairman role. He's not standing up to fight for the firefighters,

or the police officers, or the lifeguards (who really make a meager salary and literally save lives daily)—
out for his own self-serving end. So who's starting the recall petition and where do I sign?"

'They font beef pay raises. They need pay cuts & do right for Hawaii time"

'They have more than enough money to live on!!!"

'Tommy Waters and his Silent Six cannot be working too hard. They always vote for the big interests
and big developers. Tommy Waters has imposed new crazy fines on people and doesn't listen to his
constituents' concerns. The other Silent 6 follow march in line like lemmings.
These cronies don't deserve a pay raise. Auwe! Ask the unions that bought them their office to chip in."

'This does nothing for the local population. We are in a water and resource crisis"

'I'm enraged over this outrageous attempt to get ridiculous compensation for a PART-TIME JOB!!!!"

'A 64% increase is RIDICULOUS! They don't even deserve a 10% increase considering the Stupid things
they approve and the common sense things they Don't approve! HELL NO!"

'because Tommy Waters and the others are not fighting for us. They can't be working too hard if
they always vote yes for the powerful players. This hewa hui is responsible for the reasons why so
many of our people are priced out of Oahu."

'TRUTH!!!!"

vote No on their huge raises."

'Council members started their job to SERVE their constituents and NOT make a a large salary.
f they want more pay, quit and go find a "real" job. City and County employees don't have that kind
of pay raise, never. As hard as some of the employees work, the pay raise is to assist them with their increases
in medical premiums. Cannot get ahead with the tiny pay raises. Very difficult to live with a very very small pay raise.
Lots go to taxes too. Why should these council members have this much of a raise? It's ridiculous,
how do they justify that? They should be ashamed of themselves, greedy and selfish. 3 to 4% increase is
more like it. You don't like the job and pay, resign. You are all replaceable!! What about us seniors
who are on a fixed income? NO NO NO to 64% pay raise. No ONE thinks about the seniors."

'64% pay raise for a part time job! Outrageous! So many people are suffering financially, and they vote themselves
a payraise! What happened to by the people, FOR THE PEOPLE! Tired of politicians, like Tommy Waters,
who do nothing but line their own pockets! Recall them, or impeach them, vote them out!"

'1-You wanted this job.2-There are people working full time not making what you make part-time.3-Members
of the Salary Commission were nominated and approved by the City Council, so in a way, you are giving

yourself a raise. In industry, the workers do not appoint their bosses, then their bosses give them raises. Members of the City Council work for their constituents who put them in office. If the City Council wants their own Salary Commission to give them raises, and their constituents are going to foot the bill via taxes, the constituents should have a say."

"It doesn't look good for the Council to OK either calling themselves full time or increasing their pay without input from their constituents We The People. WTH? That's the Community Cookie Jar they are putting their hands into!"

"Enough of these people in office that are supposed to be working for the people of Hawaii, taking advantage of the "power" they possess. Working behind closed doors for their own benefit. They need to know we're not going to allow this to continue. Our voices must be heard"

"This is just outrageous! No wonder People are being priced out of Hawaii !"

"Sick of corruption here, sick of them stealing our money, sick of these people who use our money to line their pockets. It's the most corrupt state: in last place for voter integrity and education"

"Needs attention."

"I have signed this petition because this 64% payraise that City Council is trying to pull is the worst thing that the City Council has done! Waters and his 4 puppets; Kiaaina, Tyler, Val Okimoto and Matt Weyer are his puppets. Shame on them, they are all adults, some young, and the 4 have under 1 yr of experience in Council, but that should not be used as an excuse for not knowing RIGHT from WRONG...you '5' are shameful ... if you can do right for the people of Oahu, GET OUT OF OFFICE!!! YOU '5' are PILAU! The most greedy and nasty 5 councilmembers that Oahu has ever put in office. It's time to recall and petition these '5' ridiculous members out of office. Let's get them out NOW...and not wait until next term...Recall the '5' NOW!"

"If the 5 CAN'T do the right thing, GET these 5 out NOW!!!"

"That pay raise you gave yourselves is ridiculously excessive!"

"City Council Members are elected and told the voters they wanted the job. Starting salary is well known, so why do they say they need a 68% salary raise? Is the public going to benefit by giving them such a large increase?"

"The raises that the Council wants is uncalled for. No one gets a 60% pay raise EVER!!"

"To get a salary raise % increase higher than the Mayor of Honolulu is reasoning disconnected from life around you and the people you serve!"

"Everyone in Hawaii is struggling, and taxes will go up to cover the increase. It should match inflation rates."

"64% pay increase that is initiated by its own body. Would rather give pay increase to the Police Officers, Firemen,

DMV workers than elected official who just sit and vote themselves a 64% pay raise. Get real-who is ever given a 64% pay raise!"

'No that would be Florida"

'Excessive! Mayor and council members appointment of Salary Commission is outrageous . Turn down all proposed raises and let the voters have input"

'Not even for a full time job on the City Council. They haven't done anything for the people who voted them in. And why did they get voted in again? Let' see: the useless Rail System, Homelessness, Education, but the first thing they did was raise Property Taxes. Crime has risen, letting go offenders, Judicial System broken, they want to defund the Police, the roads are in such horrible conditions, water systems, our oceans & enviroment are in dire straights & they keep encouraging tourists who come here with no respect for our aina and the list goes on. Not all tourists but many. Nothing, all broken promises. And they think they deserve a 64% raise? Unreal!"

'They certainly do Elizabeth-nice homes, nice cars, not worried about this sham of a recession. Nothing done for the people that voted them in. Broken promises. 64% raise? Even the Mayor. Scam City."

'How about no raise until we see actual work in progress & getting done! They definitely do not deserve this at all!"

'I'd even go so far as to say, they are over paid right now!"

'It's ridiculous!"

'That's ridiculous!"

'I'm against this pay raise."

'It's a ridiculous pay raise. Pay raise should be based on merit. What have you done for the tax payers that are paying you?"

'I disagree"

'I don't think they deserve a 64% pay raise"

'I'm signing this because it's not right for these people to make decisions on how our hard earned money is spent.
We the people of HAWAII put you in office to work for us, not we work for you. You are not the boss.
We the people are the BOSS!"

'I stand in agreement! We the people of Hawaii as taxpayers should make that decision. I am against allowing the 64% raise to themselves. Not with our money!"

'Well stated. I stand in agreement."

'I also feel that this 64% pay raise is a NO GO! The taxpayers should not be responsible to carry this financial burden based on the decision of people that we elect to serve & work for US & our best interest!
NO NO NO PAY RAISE FOR YOU!"

That said, those elected to the City Council knew what the job paid when they ran for office, and presumably did not consider pay as its primary attraction. There is also power and influence, an ability to effect change that eludes most people.

When attempting to narrow the pay disparity, the commission should have factored in the reaction of voters, many of whom also saw their income curbed by the pandemic and have yet to recover.

Appointed by the mayor and Council to set city employee salaries, the panel also stated the "salaries of Council members suffer from significant wage disparity relative to the salaries of other city employees.

The Honolulu Salary Commission voted 5-1 Tuesday to adopt pay increases of 12.56% for the city's mayor and department heads and a

more than 64% pay bump to members of the City Council for the 2024 fiscal year, which begins July 1.

As adopted under the city's new salary schedule, the mayor's annual salary would rise to \$209,856 from its current \$186,432. Likewise, the yearly salary for the City Council chairperson — the seat that leads the nine-member panel — would see its current pay of \$76,968 boosted to \$123,292, a 60.2% jump, while an individual Council member's salary would get a 64.4% pay bump to \$113,292, up from \$68,904.

Like the mayor, elected and appointed department heads and their deputies also would see 12.56% pay raises. They include **\$200,712** for the managing director's position over the current pay of \$178,320, and the elected prosecuting attorney's pay would rise to **\$198,888** from the position's current salary of \$176,000. The chief of police would see a bump in pay to **\$231,648** from the current annual salary of \$205,800, while the fire chief would get **\$224,304** rather than the current \$199,272.

On April 15, Salary Commission Chair Malia Espinda requested the Council authorize \$100,000 for the development of a new salary study — as recommended by the commission's subcommittee — as well as gain support from the Council's administrative services officer and Office of Council Services to develop and execute a request for proposals "for a qualified third party expert to conduct the salary study."

If approved, the action would not affect the city's upcoming 2024 fiscal year operating budget — proposed at \$3.41 billion — which is still under City Council scrutiny prior to its possible adoption in early June.

However, the requested salary study does pave the way for potential pay increases for city workers in later years and could help fill the city's stated 3,000 vacancies in its workforce. **(You don't want to hire because you don't want to spread the wealth around to too many people.)**

By the numbers

Pay increases adopted by the Honolulu Salary Commission to go into effect July 1.

\$209,856 Mayor's annual salary, currently \$186,432 **How greedy can you get? It's all about you!**

\$123,292 City Council chairperson's annual salary, currently \$76,968 **64% HIKE**

\$231,648 Chief of police annual salary, currently \$205,800 **What for?**

WHEREAS, if the Commission alters the salaries and salary schedules, it must do so by resolution accompanied by findings of fact; and

WHEREAS, the 2013 Salary Commission has submitted, through Council Communication 86 (2013), a resolution adopted by the Commission on April 16, 2013, and findings of fact to increase the salaries and salary schedules for all elected and appointed officials including the Council Chair and Councilmembers; and

WHEREAS, the salaries and salary schedules in the resolution will take effect from the first day of the fiscal year subsequent to their adoption by the Commission, unless the Council rejects the resolution or the applicable portion of it by a vote of three-quarters of its entire membership within 60 days of the resolution's adoption; and

WHEREAS, the Council concludes that salary increases for the Council Chair and Councilmembers should be rejected; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that this body, by at least a three-quarters vote of its entire membership, rejects the portion of the resolution of the 2013 Salary Commission submitted under Council Communication 86 (2013) that would increase the salaries of the Council Chair and Councilmembers; and
