Honolulu City Council
530 South King Street, Room 202
Honolulu, Hawaii 96813

Dear Chair Cordero and Councilmembers:

SUBJECT: Resolution 23-104 Approving a Communication Site License Agreement

As cited in Section 38-12, Revised Ordinances of Honolulu 2021 (ROH), as amended, the Department of Information Technology (DIT) determines if the rental fee amounts listed for telecommunication facilities are not feasible or equitable. We therefore request the sixth "Whereas" clause be amended to read, "Whereas, the Department of Information Technology has determined that the following monthly telecommunications rental fee table, as outlined in ROH Section 38-12.3 is not feasible or equitable." The Director of DIT concurs with this amendment.

Should you have any questions, please feel free to call me at (808) 768-3901.

Sincerely,

A. C. Kawano
