RE: Honolulu City Council Resolution 23-104, Communication Site License Agreement

Dear Chair Cordero, Vice Chair Weyer, and members of the committee,

On behalf of AT&T, I write in support of Resolution 23-104, to approve a communication site license agreement with New Cingular Wireless PCS, LLC by and through CCATT, LLC. This license applies to a wireless telecommunications facility/monopole within the Mililani Mauka District Park.

AT&T is collocated on this facility to provide network services to AT&T commercial and FirstNet[1] customers in most of Mililani, and parts of Wahiawā, Kunia, and Waipi'o, including those traveling on the H-2 freeway and Kunia Road. This site carries a significant amount of traffic and is an important part of our network on O'ahu.

We appreciate the Committee on Budget's consideration of Resolution 23-104 and respectfully request its passage.

Thank you for your attention to this matter.

Sincerely,

Elizabeth Songvilay
Director of External Affairs – Hawaii
