City Council

Dear Council Members,

TESTIMONY - BOARD OF PARKS & RECREATION
Judith Stilgenbauer - nominee

I am a licensed Landscape Architect in Honolulu, a principal in the firm of HHF Planners, and a former member of the Board Parks and Recreation of the City and County of Honolulu (2016 - 2020).

I have known Judith Stilgenbauer for over 7 years, and I am strongly in support of her nomination to the Board of Parks and Recreation. Judith has a wealth of experience with local environmental issues in Honolulu, including climate-adaptation and the importance of public spaces. As a licensed landscape architect and a professor in the Master of Landscape Architecture program at the University of Hawaii at Manoa, Judith has a background that can provide useful insights and thoughtful considerations of park and recreation issues.

Please contact me at (808) 545-2055 with any questions.

Mahalo,
HHF Planners
