Testimony:

Please accept this testimony in support of Gwenette Higa's appointment to the Board of Review for Real Property Tax Appeals.

I have known Ms. Higa for over 30 years both professionally and personally. I first met her when we both served as board members for the Windward YMCA. Our relationship has continued since then as she has handled and continues to handle all of my insurance needs.

I have found Ms. Higa to be responsive, reliable, well-informed, prompt, level-headed and competent in the performance of her work. I believe that she will be able to render fair, prudent, objective and impartial decisions as a board member and that she will be a good addition to the board.

Should there be any questions or the need for more information, please do not hesitate to contact me.
