Aloha,

My name is Daya Nand and I own a business at 1007 Dillingham Blvd.
My business is affected by the rail project and I have submitted my written testimony via scanning the QR given to me on January 22nd. I tried to send my written testimony on January 23rd but wasn't going thorough. I had submitted it 3 times but it kept saying submitting for a long time.
This testimony is for Bill 40 and the QR code was given to me by Tyler Santos.

Thank you,
Daya Nand
