Submitted	Mar 4, 2024 @ 03:30 PM

Testimony

I thank the Committee and the Council for hearing this measure and prospectively moving it forward. The Ethics Commission has been working hard to update and improve the City and County ethics laws, and we seek the Council's continued support. I fully share the concerns of our executive director and legal counsel, Jan Yamane, regarding specific portions of the draft CD2, and refer you to her written testimony for details. Mahalo for your efforts.
