SECTION 1. Purpose. The purpose of this ordinance is to address housing in the city, including establishing a resident preference in the city's housing programs.

SECTION 2. Chapter 1, Revised Ordinances of Honolulu 2021 ("General Provisions"), is amended by adding a new article to be appropriately designated by the Revisor of Ordinances and to read as follows:

"ARTICLE __: RESIDENT PREFERENCE IN CITY HOUSING PROGRAMS

§ 1-__1 Purpose.

This article establishes a preference for city residents who participate in various housing programs offered by the city, to the extent allowed by law.

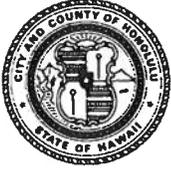

§ 1-__2 Definitions.

For the purposes of this article, the following definition applies unless the context clearly indicates or requires a different meaning.

City Resident. Any individual who is a full-time resident of the city, consistent with "residency" as that term is defined in HRS § 235-1 and HRS § 11-13, and as demonstrated by evidence satisfactory to the director of an agency designated by the mayor or the director's authorized representative.

§ 1-__3 Policy Preference.

It is the policy of the city to ensure that every program or initiative that promotes or is intended to promote the provision of housing, and that was created, developed, implemented, administered, required, supervised, managed, or guided by the city must, to the greatest extent allowable under law, include a preference for city residents. This policy installs only a preference for city residents and does not exclude non-city residents from such programs or initiatives. This preference must be construed broadly to effect the intended purpose of installing the aforementioned preference.
