Testimony: Aloha Chair and Members of the Committee, Kimeona Kane of Waimānalo, in strong support of this effort. Illegal gambling rings and game rooms have been present in my community for as long as I have been aware. It is a place and behavior that does not belong in our communities and often becomes a gateway to much more dangerous behaviors, which create unsafe situations for our community. We must take a greater stance against these game rooms and gambling rings, and I strongly believe that this will assist in doing so. Mahalo nui, Kimeona Kane
