MEMORANDUM

DATE: July 29, 2024

TO: All Councilmembers

FROM: Councilmember Matt Weyer ^{MW}
Chair, Committee on Housing, Sustainability and Health

SUBJECT: Bill 38 (2022), FD1, East Honolulu Watershed Management Plan

Bill 38 (2024), FD1 ("Bill 38"), would amend a portion of the O'ahu Watershed Management Plan, enacted by Ordinance 90-62, and codified as Chapter 30, Revised Ordinances of Honolulu 2021, by adopting the regional East Honolulu Watershed Management Plan (the "Plan").

Bill 38 will be included on the agenda for the HSH Committee meeting on August 21, 2024. The Plan is extensive, and I am requesting that Councilmembers propose amendments by completing the attached matrix form, which would avoid having to prepare multiple versions of the bill prior to HSH Committee approval.

Please observe the following process when proposing amendments to Bill 38 (2024), FD1:

1. As a starting point, use the most recent version of Bill 38 that was approved by the Council. For the HSH Committee meeting on August 21, 2024, the most recent version is Bill 38 (2024), FD1, which is available on HNLDocs via the following link: <https://hnldoc.ehawaii.gov/hnldoc/document-download?id=21994>
2. Amendments should be proposed using the attached matrix form, which is similar to the matrix used to propose amendments to the City's General Plan and development plans. For your use, a WORD file of the matrix may be downloaded from the M:Drive.
3. Submit your proposed amendments via memorandum directed to Sherry Arca, HSH Committee Clerk. Proposed amendments will be numbered as Council Communications and uploaded to the City's HNLDocs website.
4. Proposed amendments should be submitted no later than 4:30 p.m. on August 14, 2024.

Mahalo for your assistance.
