Dear Chair Waters and Councilmembers:

SUBJECT: Resolution Authorizing the Execution of an Assignment and Extension of Lease; Consent; and Amendment of Lease of City Property, Assignment and Assumption of Parking License Agreement; Consent; and Amendment to Parking License Agreement (163 Spaces), and Assignment and Assumption of Parking License Agreement; Consent; and Amendment of Parking License Agreement (8 Handicapped Spaces)

Transmitted herein for your consideration, please find the Resolution authorizing the execution of an Assignment and Extension of Lease; Consent; and Amendment of Lease ("Lease Assignment and Extension") for the Smith-Beretania Apartments rental project in Honolulu, O'ahu, an Assignment and Assumption of Parking License Agreement; Consent; and Amendment to Parking License Agreement (163 Spaces) ("License Assignment and Amendment (163 Spaces)"), and an Assignment and Assumption of Parking License Agreement; Consent; and Amendment of Parking License Agreement (8 Handicapped Spaces) ("License Assignment and Amendment (8 Spaces)").

Background

On September 27, 1982, the City and County of Honolulu ("City") and Honolulu Housing Foundation, Inc., entered into a Lease ("Lease") to develop a multi-family affordable housing project on the 21,670 square foot real property located at 1170 Nu'uuanu Avenue, Honolulu, O'ahu and identified as Tax Map Key No. (1) 1-7-004:007

(the "Property"). The Lease was assigned, with the City's consent, to Smith-Beretania Associates. The Property was developed into Smith-Beretania Apartments, an affordable rental housing project that provides 82 one-bedroom units, 81 two-bedroom units, a manager's two-bedroom unit, management offices, laundry facilities, and a multipurpose community room (the "Project"). The Project was completed in 1983 and has been continuously occupied.

In addition to the Lease, the City and Smith-Beretania Associates entered into two (2) parking licenses, one that provides the Project with access to one hundred sixty-three (163) standard parking spaces at the nearby Kukui Plaza parking garage (the "Parking License For 163 Spaces") and eight (8) accessible parking spaces at a public off-street parking facility for residents of the Project (the "Parking License For 8 Spaces", and together with the Parking License for 163 Spaces, the "Parking License Agreements"). The terms of the Parking License Agreements are coterminous with the term of the Lease and shall continue without revocation until the expiration of the Lease or sooner termination thereof.

In accordance with Council Resolution 13-80, on May 21, 2013, the Lease was amended to extend its term for twenty (20) years from September 26, 2037 to and including September 26, 2057. In addition, the Parking License For 163 Spaces was amended to provide for the payment of a one-time parking fee of \$181,054.00 to the City on or before September 27, 2037 for use of the 163 parking spaces reserved under the parking license during the extended term to and including September 26, 2057.

On December 21, 2021, Smith-Beretania Associates assigned to Smith Beretania Bridge LP ("SB Bridge") the Lease and Parking License Agreements.

Presently, the Lease has a 75-year term that commenced on September 27, 1982 and expires on September 26, 2057, with a nominal annual rent of \$15,600.00 for Lot 1A and \$1.00 for Lot 2. As mentioned above, the Parking License Agreements have terms that are coterminous with the term of the Lease and continue without revocation until the expiration of the term of the Lease or sooner termination thereof.

Lease Assignment and Extension, License Assignment and Amendment (163 Spaces), and License Assignment and Amendment (8 Spaces)

SB Bridge proposes to transition ownership of the Project to Smith Beretania Partners LP ("Proposed Owner"), a Hawai'i limited partnership whose general partners include Smith Beretania Management LLC, a Hawai'i limited liability company managed by Makani Maeva, President and CEO of Ahe Group and Anand Kannan of Community Preservation Partners. The Lease Extension and Assignment is necessary to

accommodate the financing to undertake the acquisition and rehabilitation of the Project. The longer lease term will provide sufficient time for SB Partners to acquire, fund, and rehab the Project, estimated to total \$113,516,000. Funding may be acquired through Multifamily Housing Bonds and Low-Income Housing Tax Credits.

Upon acquisition, the Proposed Owner indicates that it will undertake the rehabilitation of the Project to include, but not be limited to, the installation of new kitchen and bathroom cabinets and countertops, plumbing fixtures, electrical outlets and switches, appliances, and flooring. The interior (residential units and common areas) and exterior of the building will be painted, a new security system installed, and improvements to enhance accessibility. The rehabilitation program is intended to provide a better living environment for Project residents, upgrade and repair building systems, and preserve the Project as an affordable housing resource into the future. No tenants in good standing will be permanently displaced as a result of the rehabilitation of the Project. During the rehabilitation, tenants will be temporarily relocated to vacant units in the building or other offsite accommodations. Relocation expenses will be the responsibility of the Proposed Owner. After work is completed, tenants will move back into their original units. Total renovation costs are estimated to be approximately \$10.7 million per the Physical Needs Assessment report dated November 2022 by GLI Advisors.

As a requirement for participating in these programs, the Proposed Owner has committed to setting tenant rents for the Project at rates affordable to households earning less than 80 percent of Honolulu's median income. All of the Project's rental units are assisted with Section 8 Project-based Rental Assistance. The Section 8 program allows a resident's share of rent to be limited to no more than thirty percent (30%) of the resident's household income, thus ensuring that the resident will not incur a housing cost burden. After the acquisition, the Proposed Owner will continue to participate in the rental assistance program and will seek renewal from the United States Department of Housing and Urban Development, Office of Multi-Family Development when the current contract expires in 2033.

The Lease Assignment and Extension will extend the Lease term for 75 years commencing from the date of execution. In accordance with the terms of the Parking License Agreements, the term of the Parking License For 163 Spaces and the term of the Parking License For 8 Spaces are extended for 75 years commencing on the date of execution of the Lease Assignment and Extension and for a period to be coterminous with the term of the Lease, and shall continue without revocation until the expiration of the term of the Lease, as extended by the Lease Assignment and Extension, or sooner termination thereof.

In addition, the License Assignment and Amendment (163 Spaces) amends the Parking License For 163 Spaces to require the Proposed Owner to pay to City, on or before September 27, 2057, a one-time fee in the amount of \$42,000.00 as additional consideration to reserve the 163 parking spaces for the period from September 27, 2057 to the end of the Lease term. The License Assignment and Amendment (163 Spaces) also adds a requirement that the City shall, at any time at least ninety (90) days before September 27, 2057, request and obtain the written consent of the United States Department of Housing and Urban Development ("HUD") to an amendment to the parking license to allow City to require the Project's residential tenants who elect to use parking spaces reserved under the parking license to pay directly to the City, starting no earlier than September 27, 2057, a monthly parking fee in an amount established by City in accordance with applicable laws, regulations, and regulatory guidance.

Finally, the License Assignment and Amendment (8 Spaces) amends the Parking License For 8 Spaces by deleting its Exhibit B, which depicts the original location of the 8 parking spaces, and replacing Exhibit B with an updated figure that depicts the current designated location of the 8 parking spaces reserved for the exclusive use of the Project's handicapped tenants. As noted in Attachment C to the attached Resolution, the updated figure shall be inserted in Exhibit B prior to execution of the License Assignment and Amendment (8 Spaces).

Summary and Recommendation

The proposed Lease Assignment and Extension will allow the Project to transition to new ownership and allow new capital to be invested in the rehabilitation of the Project. The License Assignment and Amendment (163 Spaces) and License Assignment and Amendment (8 Spaces) will continue to provide Project residents access to parking spaces.

The Proposed Owner will be led by an affiliate of Ahe Group, an experienced Hawai'i-based real estate firm that has extensive experience in the development and preservation of affordable rental housing.

Through the Lease Assignment and Extension, the City will assist with preserving the Project as an affordable housing resource for the community. Project residents will benefit from an enhanced living environment as a result of the rehabilitation program. Affordability is further enhanced through compliance with the requirements of the HHFDC and Section 8 Project-based Rental Assistance programs, mentioned above.

Finally, the Project will continue to serve families on modest incomes who are particularly vulnerable to escalating rents. The combination of affordability and rental

assistance provided through the HUD Housing Assistance Payments Contract will provide households earning less than fifty percent (50%) of the area median income with tenant rents limited to thirty percent (30%) of household income with housing cost stability regardless of housing market conditions.

According to Section 38-3.3(j), Revised Ordinances of Honolulu (2021), the Department of Community Services has certified that (1) Honolulu continues to require affordable housing on the Property and is reasonably likely to have such need through the extended Lease term; (2) the 75-year Lease extension will support Proposed Owner's ability to finance necessary rehabilitation and continue the upkeep of the Project; and (3) Proposed Owner has experience in operating, rehabilitating, and owning multifamily rental housing for low and moderate-income persons. The certification is attached hereto for your information.

We respectfully request your favorable consideration of the attached Resolution. Please call me at 768-7760 should you have any questions regarding this matter.

Sincerely,

Anton C. Krucky

by households earning 50% of AMI or less. Each tenant's contribution to rent and utilities is limited to 30% of such tenant's income.

7. Leasing Priorities. 8. No HUD Mortgage. Notwithstanding anything in the Lease to the contrary, there shall be no requirement that any mortgage encumbering Lessee's interest in the Lease ("**Mortgage**") be insured by HUD. All mortgagee protection rights under the Lease shall apply to the holder of such Mortgage ("**Mortgagee**"), whether or not its Mortgage is insured by HUD. Further, unless the Mortgage is insured by HUD, the Mortgagee protection rights granted to HUD under the Lease shall not apply. The term "Mortgagee" under the Lease shall include Mortgagee and its successors and assigns, as holder of a first priority mortgage lien, provided that Lessor is notified in writing of the Mortgage and the successor Mortgagee.

9. Mortgagee Protections. Section 34 of the Lease is hereby revised in its entirety to read as follows:

- a. Mortgagee Notices of Default Under Lease. Lessor shall give Mortgagee notice in writing of any defaults by Lessee under the Lease, and Mortgagee shall have sixty (60) days after receipt of such written notice from the Lessor to cure monetary defaults and such other defaults which are reasonably susceptible of cure. Further, as to any non-monetary default not reasonably susceptible of cure within sixty (60) days, Mortgagee shall have one hundred twenty (120) days after receipt of such written notice from the Lessor, and a reasonable time after the expiration of said one hundred twenty (120) days, within which to endeavor to cure such default if: (1) it shall undertake in writing to performing all the covenants of this Lease capable of performance by it until such time as this Lease shall be sold upon foreclosure pursuant to such Mortgage; (2) Lessor is paid all rent and other charges accruing hereunder as the same become due; (3) Mortgagee shall have commenced foreclosure or other appropriate proceeding in the nature thereof within said one hundred twenty (120)-day period and is diligently prosecuting the same, subject to any stay in any proceedings involving the insolvency of Lessee or other proceeding or injunction (unless, in the meantime, Mortgagee shall acquire Lessee's estate under the Lease, either in its own name or through a nominee, by assignment in lieu of foreclosure); and (4) upon foreclosure sale of this Lease, the time for performance of any obligation of Lessee then in default hereunder other than the payment of money shall be extended by the time reasonably necessary to complete such performance with due diligence. Notwithstanding any other provision of the Lease, all rights of the Lessor to terminate the Lease upon the default by Lessee are and shall continue to be at all times while Lessee is indebted to Mortgagee, subject to and conditioned upon the Lessor's first having given Mortgagee written notice of such default and Mortgagee's failure to cure such default within the time and upon the conditions stated above after receiving such written notice of default.

- b. Mortgagee Rights Upon Termination of Lease. If the Lease shall terminate for any reason, the Lessor agrees that the Mortgagee shall have the right, for a period of thirty (30) days subsequent to such termination, to elect to demand a new lease of the Land, provided that Mortgagee remedies any Lessee defaults that were not cured under the Lease, and assumes and performs all terms, conditions, and covenants of the Lease until the new lease is executed. Said thirty (30)-day period shall commence upon receipt of notice of the termination provided by the Lessor to the Mortgagee. Such new lease shall be for a term commencing on the date of the termination of the Lease, and expiring on the same date stated in the Lease as the fixed date for the expiration thereof. The rental and all the provisions, covenants and conditions of such new lease shall be the same as the rental provisions, covenants and conditions of the Lease. If Mortgagee shall elect to demand such new lease within such period, such Mortgagee shall give written notice to the Lessor of such election. Any such new lease may, subject to Lessor's approval, be issued to a financially responsible nominee of Mortgagee without the Mortgagee assuming the obligations of Lessee under the new lease.

10. Tax Credit Investor Protections. Notwithstanding anything to the contrary in the Lease, the following provisions shall apply:

- a. Lessor hereby agrees for purposes of the Lease that the cure of any default made or tendered by any limited partner of Lessee (each, a "**Limited Partner**") shall be deemed to be a cure by the Lessee and shall be accepted or rejected on the same basis as if made or tendered by the Lessee.
- b. During the entire term of the Lease, title to the improvements shall be vested in the Lessee, and during the entire term of the Lease, Lessee alone shall be entitled to all of the tax attributes of ownership, including without limitation, the right to claim depreciation or cost recovery deductions and the right to claim tax credits under Section 42 of the Internal Revenue Code and Hawai'i state law.

11. Lessee's Insurance. The provisions of Sections 21 and 27 of the Lease are hereby amended as to the amounts and types of such insurance policies as follows:

At all times during the term of the Lease and until such time as action against the Lessee, its contractor or subcontractor for death, injuries, losses and damages is barred by the provisions of Chapter 657, HRS, Lessee shall procure and maintain in full force and effect, at Lessee's sole expense, any and all insurance that may be required by any laws as they may pertain to Lessee's use and occupancy of, and operations at the Land and Housing Project, as well as the following policies of insurance in the following amounts:

- a. Workers' Compensation and Employers' Liability Insurance. The Lessee shall maintain workers' compensation and employers' liability insurance. Workers' compensation coverage shall be in accordance with State statutes. Each policy shall contain a waiver of subrogation against Lessor.
- c. Business Automobile Liability Insurance. Lessee shall maintain business auto liability (including no-fault coverage) insurance with a limit of not less than **\$1,000,000** each accident. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos) used in the performance of this Lease. Such insurance shall be written on an occurrence basis in excess of the underlying insurance described in Sections a. through c. hereinabove, which is at least as broad as each of the underlying policies, and otherwise including "pay on behalf" wording, concurrency of effective dates with underlying primary coverages, blanket contractual liability, and construction defect coverage. The amounts of insurance required in Sections a. through d. hereinabove, may be satisfied by Lessee purchasing coverage for the limits specified or by any combination of underlying and umbrella limits, so long as the total amount of insurance is not less than the total limits required by this Section.
- e. Insurance Coverage for Operations. The Lessee shall procure or cause to be procured and maintain all insurance to cover operations under this Lease that may be required by any laws and the following types and amounts of insurance described below in Sections (f) through (h):
- f. Commercial Property Insurance. Lessee shall maintain commercial property insurance (including coverage for debris removal) covering the buildings, fixtures and equipment, with limits equal to the full replacement cost of the improvements. Such insurance shall at minimum, cover loss or damage under a "Special" cause of loss form, and shall also cover loss by earthquake, flood

and windstorm. Lessee shall be responsible for the amount of any deductible or co-insurance requirements applicable to the policy.

- g. Boiler and Machinery Insurance. Lessee shall maintain boiler and machinery insurance covering the buildings, fixtures and equipment from loss or damage caused by an insured peril. - i. Nature of Insurance Program. All insurance policies this Lease requires shall be issued by carriers that: (a) have a policyholders' rating of "A- VIII" or better, based on the latest rating publication of Property and Casualty Insurers by A.M. Lessee may provide any insurance under a "blanket" or "umbrella" insurance policy, provided that (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the Land and Housing Project, which amount(s) shall equal or exceed the amount(s) required by this Lease and shall not be reduced for claims made for other properties; and (ii) such policy otherwise complies with this Lease.
- j. Policy Requirements and Endorsements. All insurance policies this Lease requires shall contain (by endorsement or otherwise) the following provisions:
 - 1. Insureds. Insurance policies shall identify Lessor as an "additional insured" using ISO form CG 20 10 (or equivalent), and during any construction activity, the 1 CD 20 37 will also be required. Property insurance policies shall name Lessor and Lessee as loss payees as their respective interests may appear, and each mortgagee this Lease allows under a standard noncontributing mortgagee clause. Notwithstanding anything to the contrary, all property insurance proceeds shall be paid and applied as this Lease provides. On all insurance policies where Lessor is named as an additional insured, Lessor shall be an additional insured to the full limits of coverage purchased by Lessee even if those limits are in excess of those required under this Lease.
 - 2. Primary Coverage. All policies shall be written as primary policies not contributing to or in excess of any coverage that Lessor may carry, and Lessee's insurers will not seek contribution from other insurance available to Lessor.
 - 3. Contractual Liability. Liability insurance policies shall contain contractual liability coverage, for Lessee's indemnity obligations under this Lease, to the extent covered by customary contractual liability insurance coverage. Lessee's failure to obtain such contractual liability coverage shall not relieve Lessee from any indemnity obligation under this Lease.

4. Severability of Interest. Liability insurance policies shall contain a clause clarifying that, except with respect to coverage limits, the insurance applies separately to each insured and that the policy covers claims or suits by one insured against another, to the extent customarily covered by liability insurance policies.
5. Notice to Lessor. All policies required hereunder shall be written to provide not less than sixty (60) days' prior notice of cancellation or material change to Lessor.
- k. If Lessor reasonably determines that the foregoing insurance is inadequate to protect Lessor's interest in the Land, Lessor reserves the right to reasonably require additional kinds or amounts of insurance adequate for Lessor's protection, upon terms and in amounts reasonably obtainable, with due regard to prevailing prudent business practices for similar properties and uses. Lessor shall inform Lessee of such additional insurance at least sixty (60) days prior to (1) the next date on which the insurance policy to be increased is to be renewed or (2) the next anniversary of the Effective Date for any such additional kind of insurance. Such a requested additional kinds or amounts of insurance by Lessor may occur from time to time, but not more often than once in any one-year period.

the Parking License, assigning Assignor's interest in the Parking License to Assignee, and does hereby release Assignor from further payment of license fees and observance and performance of the covenants and conditions contained in said Parking License from and after the Effective Date.

4. Amendment to Term of Parking License. Licensor and Assignee confirm and ratify that in accordance with Paragraph 2 of the Original Parking License, the term of the Parking License is extended until 11:59 p.m. on _____ (the "Extended Term"), for a period to be coterminous with the term of the Lease, as extended by that certain Assignment and Extension of Lease; Consent; and Amendment of Lease of even date herewith made by the parties hereto, and that the Parking License shall continue without revocation until the expiration of the term of the Lease, as extended, or sooner termination thereof.

6. Agreement to Pay Additional Fee to Reserve Parking Spaces. Paragraph 3 of the Parking License is hereby amended to provide that Assignee shall pay to Licensor, on or before September 27, 2057, a one-time fee in the amount of \$42,000.00 as additional consideration to reserve the 163 parking spaces for the period from September 27, 2057 to _____.

7. Payment of Monthly Parking Fees by Residents. Licensor shall, at any time at least ninety (90) days before September 26, 2057, request and obtain the written consent of the Department of Housing and Urban Development ("HUD") to an amendment of Paragraph 3 of the Original Parking License to allow Licensor to require the Project's residential tenants who elect to use parking spaces reserved under the Parking License to pay directly to Licensor, starting no earlier than September 27, 2057, a monthly parking fee in an amount established by Licensor in accordance with applicable laws, regulations, and regulatory guidance ("**Monthly Parking Fee**"). Notwithstanding the foregoing or anything contained herein to the contrary, Licensor expressly acknowledges and agrees that because the Parking License, and the Project's residential tenants' right to exclusive use of the reserved parking spaces granted thereunder, is expressly irrevocable, being coupled with an interest, Licensee and Assignee make no representations or warranties that HUD will consent to any such monthly parking fee charged directly to the Project's residential tenants. 9. Binding Effect. This Assignment and Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, personal representatives, successors, and assigns.

10. Counterparts. This Assignment and Amendment may be executed in counterparts, each of which shall be deemed an original, but such counterparts, when taken together, shall constitute one agreement.

(The remainder of this page is intentionally left blank.)

IN WITNESS WHEREOF, Licensor, Assignor and Assignee have executed this Assignment and Amendment as of the day and year first above written.

Proposed Project

Smith Beretania Bridge LP intends to assign its leasehold interest in the Smith-Beretania Apartments to Smith Beretania Partners LP. The intent is to extend the land lease term another 75 years till 2099, the parking license for 163 spaces and a parking license for 8 handicapped spaces.

DCS is not aware of any monies imposing restrictions on the property other than Section 8 subsidies. CDBG funds were used to acquire 163 parking stalls for the project at another location. CDBG regulations apply only to those stalls.
