The Honorable Tommy Waters, Chair
Honolulu City Council

**Re: Resolution 24-195 to Confirm Kristina Bushnell
as member of the O'ahu Historic Preservation Commission**

I am honored to present testimony in support of appointing Kristina Bushnell to the O'ahu Historic Preservation Commission.

I have had the pleasure to know personally and work closely with Tina at HHF Planners for the past 15 years. Tina has considerable hands-on experience with a diverse range of historic preservation planning projects, such as Cultural Landscape Assessments, Historic American Landscapes Surveys, and Integrated Cultural Resources Management Plans. In all her endeavors, Tina is conscientious and thorough in researching and understanding the issues that need to be addressed for any assignment, and effectively communicating both orally and through written documentation. Tina works extremely well with others, is a good listener, and is confident when sharing her understanding and perspectives.

Tina is a true kama'aina. Her deep sense of connection to our islands and her aloha spirit are integral to all that she does. Her sincerity, honesty, and commitment to protecting and preserving the special places and historic resources on O'ahu will surely strengthen the effectiveness of the O'ahu Historic Preservation Commission as it carries out its responsibilities.

I respectfully encourage you and the City Council to confirm Kristina Bushnell as a member of the Commission.
