SECTION 2. Authorization of Commercial Paper. Pursuant to Chapter 49, Hawai'i Revised Statutes, as amended, and the Revised Charter of the City and County, there are hereby authorized for issuance and sale from time to time wastewater system revenue notes (the "Commercial Paper" and each a "Commercial Paper note") of the City and County, including renewals and extensions thereof, in an aggregate principal amount at any one time outstanding not to exceed Four Hundred Million Dollars (\$400,000,000), for the purpose of (a) refunding all or a part of any Wastewater System Revenue Bonds and any Commercial Paper and any reimbursement obligations to the provider of any credit or liquidity facility as the Director of Budget and Fiscal Services shall determine to be in the best interest of the City and County; (b) paying the cost of any improvements to the Wastewater System, including equipment, for which an appropriation is made in a capital budget ordinance and for which Wastewater System Revenue Bonds are authorized to be issued, in advance of the issuance of such Wastewater System Revenue Bonds, or, in the case of equipment, instead of the issuance of Wastewater System Revenue Bonds; and (c) paying all costs incurred in the issuance of such Commercial Paper and the refunding of any Wastewater System Revenue Bonds. The proceeds of the Commercial Paper shall be applied as provided in Section 8 hereof.

SECTION 3. Details of Commercial Paper. The Commercial Paper authorized for issuance and sale in Section 2 hereof may be issued and sold in such amounts at any time and from time to time as shall be determined by the Director of Budget and Fiscal Services to be in the best interest of the City and County, but not later than July 1, 2035, as such date may be extended by ordinance of this Council. The Director of Budget and Fiscal Services is hereby authorized and directed to determine, in accordance with and subject to the provisions of this ordinance, the designation of the Commercial Paper; the dates of issuance, amounts and maturity dates of the Commercial Paper; the registration privileges and place or places at which such Commercial Paper may be paid or registered, which may include the office of the Director of Budget and Fiscal Services; any redemption or defeasance provisions relating to the Commercial Paper; and all other details of the Commercial Paper.

Commercial Paper which refunds other Commercial Paper or Wastewater System Revenue Bonds or reimbursement obligations to the provider of any credit or liquidity facility, and any obligation to the provider of any credit or liquidity facility to reimburse such provider for amounts drawn under its facility to pay Commercial Paper, constitutes refunding bonds pursuant to Section 49-20, Hawai'i Revised Statutes, and the authorization in this Ordinance for the Director of Budget and Fiscal Services to issue and sell such Commercial Paper, and to enter into agreements under which the City and County incurs such obligations to the provider of any credit or liquidity facility, shall constitute a continuing authorization to sell such refunding bonds for the period and subject to the terms of Section 3 hereof. The Director of Budget and Fiscal Services is hereby authorized and directed to enter into such issuing and paying agent agreements, dealer agreements, or functionally similar agreements as may be necessary or desirable for the purpose of providing for the issuance and sale of the Commercial Paper.
