2	3	SECTION 70. Section 21-10.1	194	Amending "Animal Raising, Confined" to "Animal Raising, Major" and Animal Raising, Minor".	["***~~Livestock Production~~ Animal Raising, Major.*** Agricultural establishments primarily engaged in commercial livestock keeping or feeding as a principal land use that, because of operational characteristics, may generate dust, odors, pollutants, or visual impacts that could adversely affect adjacent properties. These include piggeries, dairies, dairy and beef cattle feedlots, and chicken, turkey, and other poultry farms. The term includes feedlots, defined as any animal feeding operation that concentrates animals, feed, manure and urine, dead animals, and production operations on a small land area. In feedlots, feed is brought to the animals rather than the animals grazing or otherwise seeking feed in pastures, fields, or on rangeland. The term does not include the boarding and care of household pets owned by other persons (see animal care) or animal shelters (see animal care)." "***Animal Raising, ~~Confined~~ Minor.*** Agricultural establishments primarily engaged in commercial livestock keeping or feeding as a principal land use that, because of operational characteristics, may generate dust, odors, pollutants, or visual impacts that are unlikely to adversely affect adjacent properties.
