Honorable Senator Michelle N. Kidani (Senate Vice, EDU Vice Chair)

Honorable Senator Donna Mercado Kim (EDU Chair)

Honorable Senator Jarrett Keohokalole (CPN Chair)

Honorable Senator Joy A. San Buenaventura (HHS Chair)

Honorable State Rep Della Au Belatti (HLT Chair)

Honorable State Rep Justin H. Woodson (EDN Chair)

Honorable State Rep Darius K. Kila (Senate District-22)

Respectfully, I'm alerting our Honorable State Senate and Honorable House of Representatives for the "gross mismanagement" of placing Drug Treatment Institution/Operation made by State Health Planning & Development Agency (SHPDA), Dept Of Health Assurance Division (On-Site Inspection), DOH Alcohol Drug Abuse Division (ADAD), DOH Adult Mental Health Division (AMHD)

Whereas, no consideration was given for the "Safety Hazards" by placement of these Institute/Operation in Makaha, Senate District-22.

Submitted by Austin and Kalei Salcedo for Bill 64 (2023) at the November 7, 2024 Council Meeting

MISC. COM. 516
COUNCIL

1) Less than One-Half Mile and within the commute area of Children and Schools of the Makaha Community.

2) 3 separate businesses upon this property and within this area is Selling Alcohol Beverage's to anyone above 21years of age. This will result in significant adverse effects in an individual's rehabilitation recovery of Alcohol & Drug Abuse.

The audacity and lack of State government transparency of SHPDA Administrator for omitting any Public Awareness, and prohibiting the duties of the Representation of Rights for Senate District-22, House District-45, and of our City Councilmember Andria Tupola, to fairly represent their community, and to further review with community collaboration, so that the negative impacts to the surrounding community is abated.

There was No indications made by our Senate District-22, House District-45, and of our City Councilmember Andria Tupola, that they All had "waived their Constitutional Representation Rights". As indicated para (c) "Certificate Of Need (CON)" application #21-07A, by Serafin Colmenares Jr. (SHPDA Administrator), stated in section (c) *"There is no compelling public interest which will be served by requiring the application to go through the standard review process".*

-

Imperative corrective remedy to Audit State Budget for the following:

-State Health Planning & Development Agency (SHPDA)

-SHPDA Advisory Council. (Governor appointed and Senate confirmation).

-State Dept Of Health Assurance Division (On-Site Inspection).

-DOH Alcohol Drug Abuse Division (Dept. Of Health, ADAD)

-DOH Adult Mental Health Division (Dept of Health, AMHD)

-Hawaii Cares Organization (crisis affiliation with Dept of Health ADAD, and AMHD)

For a comprehensive Audit Investigation is administered by State Senate and House Representative Legislations.

Further, To Strongly Urge for a separate State Investigation into this matter by "State Law Enforcement", and to further examine the entire Building Operations by State DOH Operations and Mental Health Institution Operations at 84-1170 Farrington Hwy 96792. Regarding discovery of "Safety Hazards" due to Close Proximity Distance too All Children Schools, and conflicting facts of nearby business's Selling Alcohol Beverage's to anyone above 21years of age.

Please respond to All (email thread) within 5 working days

Aloha Gary Yamashiroya (Rep. for Gov. Josh Green),

Briefly recapturing discussions last night 96792 Neighborhood Board Meeting, and providing dialog having with Administrator & Director of DOH (below). To date have not received any correspondence by John Lewin (Administrator SHPDA).

Is the expired "Certificate Of Need (CON)" application #21-07A (HRS 323D-43) issued 2021 year approved 20 bed institution operations at 84-1170 Farrington Hwy. by SHPDA.

Significant concerns of any Awareness made to our City Councilmember Andria Tupola (known as area council). Under HRS 323D-45 to further review, community collaboration, consider relevant impact information for her community she server's and represents.

There's No indications by our City Councilmember Andria Tupola had "waiver her Constitutional Rights" under HRS 323D-44.6. As indicated para (c) CON application #21-07A, by Serafin Colmenares Jr. (administrator).

Further, I strongly urge for a separate State Investigation into this matter by State Law Enforcement, and to further examine the entire Building Operations by State DOH Operations and Mental Health

Institution Operations at 84-1170 Farrington Hwy 96792. Regarding "Safety Hazards" due to Close Proximity Distance too All Children Schools etc.

Mahalo for your email sharing your concerns. We share your desire for safe and effective treatment programs. Per HRS 323D-11, the State Health Planning and Development Agency (SHPDA) is an independent agency attached to the Department of Health for administrative purposes only. As such, the Director of Health has no authority over SHPDA's certificate of need (CON) program. I will forward your email to SHPDA for their review and action as appropriate.

Subject: [EXTERNAL] State DOH-CON Approved Operation in Makaha, Oahu

Aloha Hawaii DOH Director Dr. Kenneth Fink

DOH Deputy Director Marian Tsuji,

Requesting for your office to rescind/revoke Hawaii State Health Planning & Development Agency (SHPDA) Approved "Certificate Of Need (CON)". That was made, review, & issued for operations by Drug, Alcohol, Mental Health Counseling and Evaluation Services Inc. (DAMHCES). Operations by Phyllis Rooney (CEO), of 1097 Kaumoku Street, Honolulu. HI. 96825.

Per attached discoveries by Hawaii News Now recent investigated reports of **"Forgery"** accusations towards DAMHCES Operation, made by 2-two affiliated Doctor's (outside from Hawaii) in partnership with Phyllis Rooney for Group Living 10 bed operations at McCorriston Bldg 1111-1113 Fort Street Mall. This includes both SHPDA #2021 year approved 20 bed operations at 84-1170 Farrington Hwy.

SHPDA had intentionally omitted any community collaboration and transparency regarding these operations, as stated within CON issuance under section **(c) *"There is no compelling public interest which will be served by requiring the application to go through the standard review process".*** There is none whatsoever Safety Consideration of the close proximity distance to nearby Children Schools.

(1st) alert, and prompting your attention of "Safety" matters within area of Makaha (Oahu), where demographically All Children in Makaha community daily commute too and from Schools, passing through this intersection Makaha Valley Rd and Farrington Hwy.

(2nd) alert, and prompting your attention of "Safety" matters within this area Makaha (Oahu), of 2-two separate operations upon 84-1170 Farrington Hwy by (1) DOH-ADAD, Makaha Unit Operations. (2) Lahilahi Club House, Rehabilitation. Safety issue with conflicting concerns. Whereas, 3 other separate business's within this area is Selling Alcohol Beverage's to anyone above 21years of age.

Per telecon and spoken to Mr. Daryl Shutter (SHPDA-CON Regulatory Chief), he said "complaints should be forwarded to Honolulu City DPP department". In contrary, I found the City DPP had only approved the Permits for Building Structure and Site Construction for this subject property, and None submitted DAMHCES Operations applications for any Honolulu City DPP "Conditional Use Permits (CUP Major)"

(3rd) alert, of Unsafe discoveries found this particular area had measurement for year #2023 in the amount of **756** times #911 calls made for HPD Law Enforcement Response. Comprised at sited address below:

84-1170 & 84-1160 Farrington Hwy, (Makaha Gateway Market Place)

85-10 Farrington Hwy (Seven Eleven Store)

84-1161 Farrington Hwy (Lahilahi City Beach Park)

Per SR 53 of The Senate Thirty-Second Legislature 2024, and DOH Director was in receipt by certified transmittal. *"That urges the Department of Health to convene and lead an informal working group"*. Therefore, recent Oct 2024 Waianae Neighborhood Board Meeting held, and I provided

testimony during community discussion of this Safety matters, and informed HPD & State Law Enforcements. I've taken the liberty to inform the Honolulu City Mayor's selected Tasked Working Group within this email thread.

Please respond to All (email thread) within 5 working days.

Respectfully yours,

Austin and Kalei Salcedo

(Makaha Kupuna Resident)
