The Honorable Calvin K.Y. Say, Chair
and Members
Committee on Zoning
Honolulu City Council
530 South King Street
Honolulu, Hawai'i 96813

Dear Chair Say and Members:

SUBJECT: Council Resolution No. 24-273, Proposed CD1: Authorizing Exemptions From Certain Requirements Relating to The Hale Moena Affordable Rental Housing Project in Kapolei, O'ahu, by Amending Resolution 16-11, CD1, as Amended by Resolution 17-320.

The Board of Water Supply (BWS), for the most part, supports City Council Resolution No. 24-273, Proposed CD1.

For consistency, the BWS suggests an amendment to the proposed language of CD1 on page 7, item #2 (5(a)), language repealed is stricken and language underscored is added as follows:

Board of Water Supply Rules and Regulations:

11. Deferral from Sections 1-102 and 2-202(2), 202(3) of the Board of Water Supply Rules and Regulations, to allow a deferral of the payment of water system facility charges and the installation of water service fees, ~~for Phases 3 and 4, until a certificate of occupancy is issued for each phase, estimated at $198,609, for Phase 3 and $225,144 for Phase 4;~~ estimated at $423,753 until the installation of the water meter; provided that all Board of Water Supply requirements are satisfied. The actual fees to be deferred will be determined by the Board of Water Supply during its review of the Modified Project's building permit application.

DEPT. COM. 801

Thank you for your consideration and the opportunity to provide testimony on this matter.

Very truly yours,
