## RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE NORTH SHORE SUSTAINABLE COMMUNITIES PLAN AREA.

WHEREAS, the City Council ("Council") adopted the Public Infrastructure Map ("PIM") for the North Shore Sustainable Communities Plan ("SCP") area by Resolution 00-265, FD1; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu 2021 ("ROH"), requires a major public facility, including a government building, to be shown on the appropriate PIM for a sustainable communities plan area before the Council may appropriate funds for land acquisition for or construction of the facility; and

WHEREAS, a project has been proposed to locate a first responder hub in Pūpūkea, which will require a revision to the PIM for the North Shore SCP area to add a government building symbol for the acquisition of land for and construction of the facility; and

WHEREAS, the land proposed for the first responder hub is an approximately 2.72-acre area, identified as TMKs 5-9-011:068, 069, and 070, as shown on Exhibit A; and

WHEREAS, a hub for first responders to operate, congregate, and cooperate to improve emergency response times and appropriateness of each response (the "Project") will greatly increase the support local residents receive from City emergency personnel; and

WHEREAS, the Project is consistent with the General Plan, the North Shore SCP, and the appropriate functional plans relating to the provision of adequate facilities to ensure the effective and efficient delivery of basic government services and the protection of public safety; and

WHEREAS, ROH Chapter 4, Article 8, provides that the Department of Planning and Permitting has 75 days following introduction of this resolution to review the proposal, consult with other governmental agencies and with appropriate community organizations, and prepare a report making a recommendation to the Council; and

# RESOLUTION

WHEREAS, ROH Chapter 4, Article 8, further provides that unless a report is received by the Council, no action on the resolution shall be taken prior to the expiration of the 75 days, except on a motion supported by two-thirds of the entire membership of the Council; and

WHEREAS, the Council finds that the proposed Project will provide a public benefit and that the addition of a government building symbol on the PIM for the North Shore SCP area for a first responder hub is warranted and appropriate; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the North Shore SCP area is revised to add a symbol for a government building at or around parcels TMK 5-9-011:068, 069, and 070, as shown on Exhibit A attached hereto and incorporated by reference herein; and

BE IT FURTHER RESOLVED that the Department of Planning and Permitting may delete the government building symbol added by this resolution from the PIM by administrative procedure upon completion of the Project, pursuant to ROH § 4-8.2(b); and
