Re: Letter of support for Dr. Jim Ireland as the Director of the Honolulu Emergency Services Department.

I am pleased to recommend Dr. Jim Ireland to serve as the Director of the Honolulu Emergency Services Department.

I have had the pleasure of knowing Dr. Ireland both professionally and personally for approximately 15 years.

I find him to be very enthusiastic, responsive, reliable, and he understands and acknowledges the feelings and perspectives of others while fostering an inclusive environment.

His positive energy is contagious, which inspires others. He possesses a strong sense of empathy and communicates effectively. I have been impressed by how effectively and clearly; he communicated while serving as the Director of the Emergency Services Department when addressing the public in emergency situations.

Dr. Ireland's handling of the tragic and horrific New Year's Day cake bomb explosion demonstrated Dr. Ireland's leadership qualities, compassion, and ability to collaborate with others to meet the medical needs of the victims.

I fully support Dr. Ireland to be appointed as the Director of the Emergency Services.

Thank you,
Kanthi de Alwis, M.D

WRITTEN TESTIMONY ONLY

Chair Waters, Vice Chair Weyer, and City Councilmembers:

I submit this testimony in strong support of the nomination and confirmation of James H.E. Ireland, M.D. to serve as Director of Emergency Services of the City and County of Honolulu.

I have worked with Dr. Ireland in his various roles for nearly a decade and have found him to be hardworking, innovative, and driven. His ability to manage multi-disciplinary projects, such as Honolulu's *CORE* program highlights his ability to integrate his experience with others to find solutions to complex issues such as addressing homeless individuals that would otherwise overburden the local emergency rooms.

I have personally observed his willingness to openly participate in planning and coordination meetings among high-level City and State officials to ensure there can be real discussions on the progress of the crisis and general health systems.

Dr. Ireland has been a trusted partner on issues related to addressing homelessness. His collaboration on these issues has been impactful and I look forward to continuing this partnership with him.

He has always been pleasant and respectful when working with him and I believe it is in the best interest of the community, to grant Dr. Ireland another term as the Director of Emergency Services of the City and County of Honolulu.

Thank you for the opportunity to provide testimony in support of Honolulu City Council No.25-11.

Aloha,

I am writing to express my support for Dr. James Ireland as Director of Honolulu Emergency Services. For some time now I have seen Dr. Ireland on television where he has done an exceptional job of keeping fellow Oahu residents informed on many events involving emergence services. From the beginning, I could discern that Dr. Ireland is an unusually capable leader able to expeditiously deal with the wide variety of emergency conditions that might arise on our island.

Last week I had the pleasure of driving Dr. Ireland in the St. Patrick's Day Parade in my Rolls-Royce. He had been chosen the Irish Person of the Year for 2025. After having the opportunity to chat with him personally, I am even more convinced that it is unlikely that there is anyone more qualified to be the Director of Emergency Services. We would be most fortunate to have him in that capacity. I am sufficiently impressed with his abilities that I suggested he run for office and he would have my vote.

Sincerely,

Alvah T. Strickland
