Testimony: Aloha Council Members, It is my great pleasure to provide unqualified support for Linda Martell's appointment to the Ethics Commission. Judge Martell has a huge reservoir of legal experience as a lawyer, a former judge, and as an exemplary citizen of the City and County of Hawaii. I have known her professionally and personally for more than 30 years. She has legal prowess, integrity, and humanity. She will be a wonderful addition to the EC and help it advance the public's confidence. I am currently traveling out of the country and cannot be there but I urge you to confirm her appointment and further strengthen the C&C's commitment to justice for all. Mahalo your considerations! -Peter Adler, PhD

Testimony: It is a pleasure to recommend Linda Martell for a position on the city ethics committee. Her resume speaks for itself, showing the range of experience throughout her career. I have known Linda for over 40 years, meeting her in the late 1970s, when she was a student speech pathology clinician, working on her masters degree. As her clinical supervisor, I was impressed with her natural ability to interact and relate with others. I later had the pleasure of hiring her as a staff speech pathologist at Kaoiplani Women and Children's Medical Center. I valued her knowledge base, good judgment and problem-solving skills as well as her work ethic. She impressed me many times with her remarkable memory. Linda has become a good friend, one who has shown herself to be kind, thoughtful and an excellent problem solver. She also has demonstrated the ability to be discrete when needed. I believe Linda will be a great asset to this board. Do not hesitate to contact me if further information is needed. Sincerely, Barbara Falbey

Testimony: Please accept this as testimony in full support of Linda Martel to be a member of the Ethics Commission. I have known Linda since 1991, when she was first elected to the Downtown Neighborhood Board and I was a board member. She was also a neighbor in my condo building. Linda will be an excellent addotion to the commission, bringing with her her strong legal background and many community activities. I only wonder what took the mayor so long in making this appointment.
