Aloha City Council,

I strongly support this bill. By adding the PIM, this would help the city work towards creating a much needed First Responder Center at Kapo'o (Shark's Cove) and would strengthen our community and help save lives. The ocean safety team at the Mayor's Town Hall described this winter as one of the "craziest" winters related to deaths and rescues. An ambulance stationed there would be immense help and we believe the Mayor's team can get it done with the passing of this Bill.

Mahalo,

Kori Harvey Oros
