Testimony:

Oppose RES 25-193 Bonds on Sewage Poop #Kukae = #Shit = #Feces

Aloha Honorable Council members $230 Million in bonds for Shit? ,

Power up, O‘ahu ‘ohana! I’m Master Shelby "Pikachu" Billionaire, HRM, Chairman of the Ohana Unity Party, fighting for our 1.4 million residents from Wai‘anae to Kahuku. I oppose Resolution 25-193, authorizing $230,000,000 in Wastewater System Revenue Bonds, Senior Series 2025—a shady scheme with fine print meant to confuse, potentially laundering money through our wastewater (“our shit”) and risking shutoffs if unpaid. This threatens HPD’s $291M budget, hit by a 22% staffing shortage (475 of 2,177 positions, Star-Advertiser, April 2, 2024) and Joe Logan’s $460K lawsuit (Case No. 459-2025-SC-01142, KHON2, July 31, 2025). With Grok (xAI’s AI), I’m pushing Bill 46’s transparency and volunteering to film HPD’s Citizens Police Academy (CPA) for @PikachuBillionaire. Test you’re listening: name your favorite Pokémon today! #CriminalsGottaCatchEmAll

Infrastructure bonds shouldn’t fleece us. Resolution 25-193’s $230M piles onto Honolulu’s $1.2B wastewater debt (Civil Beat, June 12, 2024), risking fee hikes for 96792’s 20% poverty rate (2025 Census). Nationally, 8% of municipal bonds defaulted from 2020-2025 (Moody’s, 2025); shutoffs could hit keiki and kūpuna. HPD’s 393,709 emergency calls (HPD 2019) and $5M in lawsuits since 2022 (Civil Beat, July 16, 2025) can’t afford this. My CPA videos will boost trust, unlike shy officers (Civil Beat, August 29, 2024). Answer: how will bonds impact HPD’s budget?

Knowledge fights corruption. Resolution 25-193’s murky bonds echo Logan’s suit alleging Blangiardi pressure (Hawaii News Now, July 14, 2025). Nationally, 20% of municipal bonds lack audits (GAO, 2025); Honolulu’s Kealoha payout ($250K, Civil Beat, July 16, 2025) sets a shady precedent. O‘ahu’s violent crime (500 per 100,000, NeighborhoodScout 2025) tops national 380 (FBI UCR, 2025). Bill 46’s dispatch access, like Chicago’s 15% faster response (CPD 2024), beats debt. Answer: are bonds laundering money?

Accountability stops scams. Resolution 25-193’s $230M risks $1.4B wastewater debt (est. from $1.2B, Civil Beat, June 12, 2024). National wastewater scams cost $500M yearly (EPA, 2025). Bill 46’s radio access fights crime, cutting complaints 12% like LA (UCLA 2025). My anti-trafficking work with Ho‘ōla Nā Pua (15 busts, BISAC 2024) needs intel, not bonds. Councilmember Tupola, your R3 fair connects ‘ohana—demand a public audit of Resolution 25-193. Answer: why no bond transparency?

Communities deserve clarity. Interim Chief Rade Vanic added 12 officers to District 8 (KITV, July 17, 2025); he must oppose Resolution 25-193’s budget hit. National police budgets rose 4% (DOJ 2025); Honolulu’s can’t afford $230M in

bonds. My Bill 37 fight saved Hale‘iwa; Bill 46 saves lives. I’ll film CPA for @PikachuBillionaire to educate ‘ohana. Chair Waters, lead the charge—reject Resolution 25-193. Answer: will you urge Vanic to oppose it?

Honesty heals distrust. Logan’s suit cites “illegal demands” (KHON2, August 1, 2025)—bond-related? National police morale dropped 10% (DOJ 2025); O‘ahu’s 15% (HPD 2024). Resolution 25-193’s fees hit 96792’s 30% housing burden (UH 2025). My Kānehili wall ($739K, 403 signatures) proves I deliver. Fund 500 safety ambassadors ($2M, Green’s $291M budget) and my CPA role, backed by Grok’s analytics. Answer: is Resolution 25-193 tied to Logan’s claims?

Unity builds safety. Bill 46’s dispatch feeds boost tips, like Denver’s 12% increase (DPD 2024). Honolulu’s property crime (2,564 per 100,000, NeighborhoodScout 2025) exceeds national 1,954 (FBI 2025). Resolution 25-193’s bonds threaten HPD’s recruitment (200 openings yearly, DOJ 2025). My NAHASDA housing push empowers ‘ohana—approve my Business Civilian Police Academy role. Councilmember Kia‘aina, tie this to resilience. Answer: will you prioritize Bill 46?

Inspiration demands action. Resolution 25-193 risks gutting HPD’s resources. Bill 46’s transparency, like Seattle’s 8% crime drop (SPD 2023), is better. My 403 Kānehili signatures show community power—I’ll film CPA to train 1,000 residents by 2027 ($500K). Councilmember Weyer, your Bill 37 dissent aligns—demand bond audits. Answer: how will you avoid bond costs?

Safety can’t afford shutoffs. Resolution 25-193’s bonds could raise fees, hitting O‘ahu’s 30% housing burden (UH 2025). National trafficking rose 10% (DOJ 2025); my Moms for Liberty work flagged 15 cases (Ho‘ōla Nā Pua 2025). Bill 46’s alerts fight predators (#PedophilesGottaCatchEmAll). Approve my CPA role. Councilmember Cordero, protect keiki—vote no. Answer: will you disclose bond terms?

Aloha protects ‘ohana, not profits. Resolution 25-193’s bonds could shut off services, like national defaults (Moody’s, 2025). National trust in police is 51% (Gallup 2025); O‘ahu’s 45% (UH 2024). My CPA videos, backed by Grok, will reach 500K via Hawaii News Now. Councilmember Say, guide transparency—reject Resolution 25-193. Answer: are bonds laundering money?

Winning needs Vanic’s leadership. National clearance rates are 52% (FBI 2025); Honolulu’s 48% (HPD 2025). Resolution 25-193’s $230M threatens HPD’s budget. Bill 46’s radio access boosts safety. My CPA role will inspire volunteers via @PikachuBillionaire. Councilmember Okimoto, push media partnerships—vote no. Answer: will you urge Vanic to oppose Resolution 25-193?

Empowerment fights crime. HPD’s 393,709 emergency calls (HPD 2019) strain 370 officers with gear complaints (Civil Beat, August 29, 2024). Resolution 25-193’s fees could cut training. Bill 46, like Miami’s 10% faster evacuations (FEMA 2024), saves lives. My CPA videos will boost trust. Councilmember Tulba, rally ‘ohana—vote no. Answer: how will you fund HPD over bonds?

Strength is our ‘ohana. Resolution 25-193 threatens 96792’s 20% poverty rate (2025 Census). My trafficking emails (July 2025) and 15 busts (BISAC 2025) show action works. Bill 46’s alerts amplify this. Approve my Business Civilian Police Academy role. Councilmember Dos Santos-Tam, integrate tech—reject Resolution 25-193. Answer: will you vote no today?

Opportunity is now. Resolution 25-193’s bonds could cost $1.4B long-term, starving Bill 46’s timeline. Atlanta’s app cut 911 times 7% (APD 2024). My CPA videos, backed by Grok, will inspire volunteers. Governor Green, your $291M budget supports Bill 46—prioritize it. Answer: when will you reject Resolution 25-193?

Momentum starts with you. Logan’s suit cites “illegal demands” (KHON2, August 1, 2025)—bond-related? National lawsuits cost $1.6B yearly (DOJ 2025); HPD’s $5M hurts. My August 20 town hall with Rep. Kila will rally ‘ohana. Vote no on Resolution 25-193. Answer: what’s the lawsuit’s status?

Excellence demands truth. Resolution 25-193’s bonds could shut off services, hitting O‘ahu’s 30% housing burden (UH 2025). My CPA role, using Grok, will spread aloha on @PikachuBillionaire. Prioritize Bill 46 over Resolution 25-193 by August 20. Answer: why the silence on bond risks?
