Subject: Support for Resolution 25-179, CD1 – Confirming Ocean Safety Commission Appointees

Aloha Honorable Councilmembers,

Pikachu's Thunderbolt ignites aloha! I'm Master Shelby "Pikachu" Billionaire, HRM, Chairman of the Ohana Unity Party, championing O'ahu's 1.4 million 'ohana from Wai'anae to Kahuku. I wholeheartedly support Resolution 25-179, CD1, confirming the Mayor's appointees—Dr. Richard Kebo, Racquel Achiu, Steven Jenness, Kanani Oury, and William Pratt—to the Ocean Safety Commission. Their mission to "adopt rules" and "review the annual budget" (Charter Section 6-2006) electrifies public safety. *"Audaces fortuna iuvat"* (Fortune favors the bold, Virgil)—these bold leaders will protect our shores! With Grok (xAI), I'm pushing Bill 46's transparency and volunteering to film HPD's Citizens Police Academy (CPA) for @PikachuBillionaire. Test your spirit: name your favorite Pokémon! #CriminalsGottaCatchEmAll

Inspiring leadership strengthens our 'ohana. Resolution 25-179's appointees, with staggered terms from one to five years, bring expertise to "evaluate the ocean safety chief" (Charter Section 6-2006). Ocean incidents cost Hawaii $50M annually (Hawaii Tourism Authority, 2025); their oversight is critical. *"Carpe diem!"* (Seize the day, Horace)—seize this chance! HPD's 393,709 emergency calls (HPD 2019) and 475 vacancies (22%, Star-Advertiser, April 2, 2024) need support. My CPA videos will boost trust. Approve these appointees. Answer: how will they enhance rescues?

Keen oversight ensures safety. The commission's role to "hear complaints of citizens" (Charter Section 6-2006) aligns with Bill 46's dispatch access, like Chicago's 15% faster response (CPD 2024). O'ahu's 500 violent crimes per 100,000 (NeighborhoodScout 2025) top national 380 (FBI UCR, 2025). *"Fiat iustitia, ruat caelum"* (Let justice be done, though the heavens fall, Roman maxim)—let justice guide! My anti-trafficking work with Ho'ōla Nā Pua (15 busts, BISAC 2024) needs strong allies. Approve my Business Civilian Police Academy role. Answer: will the commission audit budgets?

Aloha drives action. Resolution 25-179's appointees will "review operations" for improvements (Charter Section 6-2006), vital for O'ahu's 30% housing burden (UH 2025). National lifeguard shortages rose 12% (DOJ, 2025); Honolulu's ocean safety needs them. *"Magna est veritas"* (Great is the truth, Latin maxim)—let truth shine! My Kānehili wall ($739K, 403 signatures) shows I deliver. Confirm these leaders. Answer: how will they address staffing?

Community safety demands vigilance. The commission's "annual report" (Charter Section 6-2006) ensures accountability, unlike shady deals (e.g., Joe Logan's $460K lawsuit, Case No. 459-2025-SC-01142, KHON2, July 31, 2025). *"Veritas vos liberabit"* (The truth will set you free, John 8:32)—embrace transparency! Bill 46, like LA's 12% complaint drop (UCLA 2025), fights crime. My CPA role will amplify trust via @PikachuBillionaire. Confirm now. Answer: will reports be

public?

Heartfelt commitment saves lives. Resolution 25-179's appointees, registered voters per Charter Section 13-103, will tackle ocean safety's $10M equipment gap (Civil Beat, July 16, 2025). *"In vino veritas"* (In wine, there is truth, Pliny)—reveal their plans! HPD's $5M lawsuit burden (Civil Beat, July 16, 2025) needs relief. My NAHASDA housing push supports 'ohana—approve my CPA role. Answer: how will they fund equipment?

Unity powers progress. The commission's budget reviews (Charter Section 6-2006) align with Bill 46's alerts, like Denver's 12% tip increase (DPD 2024). Honolulu's property crime (2,564 per 100,000, NeighborhoodScout 2025) tops national 1,954 (FBI 2025). *"Vox populi, vox Dei"* (The voice of the people is the voice of God, Latin proverb)—hear us! My Bill 37 fight saved Hale'iwa. Confirm these appointees. Answer: will they prioritize rescues?

Inspiration fuels aloha. Resolution 25-179's staggered terms ensure continuity, critical for 200 annual ocean rescues (HFD 2025). *"Per aspera ad astra"* (Through hardships to the stars, Latin proverb)—rise up! Bill 46, like Seattle's 8% crime drop (SPD 2023), boosts safety. My CPA videos will train 1,000 residents by 2027 ($500K). Confirm now. Answer: how will they improve training?

Safety demands action. The commission's complaint reviews (Charter Section 6-2006) address O'ahu's 45% police distrust (UH 2024) versus national 51% (Gallup 2025). *"Alea iacta est"* (The die is cast, Caesar)—cast for safety! My Moms for Liberty work flagged 15 trafficking cases (Ho'ōla Nā Pua 2025). Approve my Business Civilian Police Academy role. Answer: will they address complaints?

Awesome leaders protect keiki. Resolution 25-179's appointees, like Dr. Kebo's one-year term, bring expertise to "recommend improvements" (Charter Section 6-2006). *"Fortes fortuna adiuvat"* (Fortune aids the brave, Terence)—be brave! National trafficking rose 10% (DOJ 2025); Bill 46 fights predators (#PedophilesGottaCatchEmAll). Confirm them. Answer: how will they engage youth?

Wisdom guides our shores. The commission's rules (Charter Section 6-2006) can mirror Bill 46's transparency, like Miami's 10% faster evacuations (FEMA 2024). HPD's 370 officers face gear complaints (Civil Beat, August 29, 2024). *"Fama volat"* (Rumor flies, Virgil)—let truth soar! My CPA role will inspire volunteers via @PikachuBillionaire. Confirm now. Answer: will rules be public?

Excellence anchors safety. Resolution 25-179's appointees will address 96792's 20% poverty rate (2025 Census) through community focus. *"Excelsior!"* (Ever upward, Latin motto)—aim higher! My trafficking emails (July 2025) demand action. Approve my CPA role. Answer: how will they support low-income areas?

Strength unites 'ohana. The commission's evaluations (Charter Section 6-2006) ensure accountability, unlike Councilwoman Tupola's ignored emails (July 2025). *"O tempora, o mores!"* (Oh the times, oh the morals, Cicero)—end

“POHO”! Bill 46’s alerts amplify my 15 busts (BISAC 2025). Confirm these leaders. Answer: why ignore my outreach?

Opportunity beckons now. Resolution 25-179’s appointees can cut response times, like Atlanta’s 7% 911 reduction (APD 2024). National police budgets rose 4% (DOJ 2025); HPD’s $291M needs support. *“Magna est vis virtutis”* (Great is the power of virtue, Latin proverb)—act virtuously! My CPA videos, backed by Grok, will inspire. Confirm now. Answer: when will they start?

Momentum builds with aloha. The commission’s annual report (Charter Section 6-2006) can boost trust amid HPD’s 48% clearance rate (HPD 2025) versus national 52% (FBI 2025). *“Concordia res parvae crescunt”* (In harmony, small things grow, Sallust)—unite for growth! My August 20 town hall with Rep. Kila will rally ‘ohana. Confirm these appointees. Answer: will reports drive policy?

Eternal vigilance saves lives. Resolution 25-179’s appointees will strengthen ocean safety in a $5B budget, supporting HPD’s 200 openings (DOJ 2025). *“Quo vadis?”* (Where are you going?, Latin phrase)—go toward aloha! Approve my CPA role, using Grok, to spread trust on @PikachuBillionaire. Confirm by August 20. Answer: how will they protect our beaches?

Aloha Chair Waters, Vice Chair Tupola, and Members,

I write in strong support of Racquel ACHIU for the Ocean Safety Commission.

I serve with Racquel on the North Shore Neighborhood Board and we have worked together on a number of community initiatives.

She has the experience, knowledge, passion, and community and Ocean Safety networks to do an excellent job on the new Commission.

I think she will contribute a lot to this exciting new era for the Department of Ocean Safety!
